## Presidents Report - 2012

Dear Associations, Clubs and Registered Members

The past year has been one of the toughest for the Board for many years.

We managed one major national and one international tournament which required a lot of effort and risk for this organisation and the Directors and support from a wide range of members. The holding of the National Olympic selection tournament, then the Oceania Olympic selection Championship placed a lot of stress on the organisations structure and at one time threatened the financial stability of TTNSW.

Fortunately due to the efforts of all involved, we were able to present a successful set of programs and also were able to minimise any financial effects on the organisation. I would particularly like to note the great work by Stephen Gillespie as the Events Manager for both events.

We have continued to increase the number of Associations affiliated with our organisation and the number of registered players has also increased. I would like to welcome the following Associate members to TTNSW.

- Aust-Korea TT Assn
- Cherrybrook TT Club
- Forestville TTC
- Howlong TT Club
- Lithgow TT Club
- NSW Country TT League
- NSW TT Umpires Association
- Paul Zhao TT Academy
- Peter Masen TT Academy
- Table Tennis Singleton

This brings our Associate membership to 50.

It is worth reflecting that Table Tennis NSW is actually a conglomeration of all the Affiliated Associations in NSW. Therefore, the Affiliated Associations are actually the ones responsible for ensuring that our sport in NSW is run appropriately and offer players a range of events that advance the player experience and increase the involvement in the game.

TTNSW has Council meetings during the year to which the Affiliated Associations are invited. Whilst much of the time at these meetings is given over to items which are not of great concern to specific Associations it is disappointing to see that few send a delegate or have items placed on the agenda for discussions.

### **Continued development of table tennis in NSW**

The success of the "Social" membership has continued and we are looking for further increases in this level over the coming years. Additionally, the Council has changed the rules so that Social members may play in a State Event, as long as they pay an additional amount each time.

The table below indicates the changes within the Levels between 2009 and 2012.

Level	2009	2010	2011	2012
Life	9	9	10	10
Competition	650	566	420	559
Pensioner	99	49	50	61
Junior	58	56	38	69
Official	6	3	6	7
School	1	2	0	0
Social	36	374	792	1248
Total Members	859	1059	1392	1954

The TTNSW office arrangements changed towards the end of 2012 with Jason leaving us to pursue other activities; of course Ted and Jan continue to service the office and the requirements of the organisations.

Last year I mentioned that we need to look at the establishment of a full time executive position; with what has been happening over the past year and the plans for the future the need is becoming urgent.

#### **Permanent Executive Offer**

Over the next several months the Board and Council will be looking at how we can raise the money to make this dream a reality during the later part of 2014. The options are sponsorship (though this has proven hard in the past), increasing registration fees combined with raising entry fees to State tournaments. Also there may be a way of gaining better margins on items sold through TTNSW and looking at obtaining greater funding from various government grants etc.

We all want a professionally run and adequately supported organisation; this cannot happen with the current structure. To move forward and to gain greater recognition from all levels of governments and to truly develop as a popular sport, we need to have someone full-time to run TTNSW. Without this we will always remain a small and insignificant sports group.

Currently Table Tennis NSW is funded mainly from 2 specific areas

1. A State government grant of \$20,000 which is to be used specifically towards administration of the sport. This grant is used to pay part time administrators. This part time arrangement has meant that much of the desired administration has definitely not been handled as well as it should have been. Actions have been taken to ensure that there will be a significant improvement in 2013.
2. Affiliation and member fees. Whilst it may be argued that Table Tennis NSW is making large amounts of money from this area an examination of the fees will show that this is not as significant as may be expected. We are required to pay Table Tennis Australia an annual registration fee, plus \$17.60 per registered player (this excludes social players) as well as contribute to the insurance costs. On average, this leaves \$30 per registered player to go towards other items of administration. This amount excludes "Social" member's payments.

All this means that TTNSW has around \$50,000 each year to ensure the appropriate level of administration of our sport. Please note "Administration" does not mean HR costs alone. In fact TTNSW HR costs are around 13% of revenue, this is half what is spent at TTA and less than what a normal company or sports administration would expect to pay in proportion of revenue.

The great majority of work associated in running State events, preparation of timetables and generally getting "things done" is through volunteer time from people who are also working "day jobs" and do these extra things in their spare time.

### **Membership cards**

I will accept that the issue of member cards has been dealt with poorly in the last few years. However it is worth mentioning that the issue of the cards is not assisted by poor, or in some cases almost no, information on new members. Regularly the details we receive from our Affiliates provide only the name of the player with occasional scant information. In the past we have been lenient regarding this matter, but with the new national data base through IMG we will have to tighten the expectations from all Associations/Clubs.

### **Data management and website**

I mentioned last year that we were moving to a new national system through the IMG group. Well, as always occurs with these plans the transfer has not gone as smoothly as we thought and has taken a lot longer. However, all membership data is now runs through the IMG system and the new website is now up and running.

The new system will allow us to manage better and allow members to participate better in events and know what is going on with TTNSW and all our Associate members. On line registration of membership, tournaments, the buying of uniforms and updating of calendars will be a feature of the new service.

### **Email addresses and registered player details**

We need all members to give us up to date email addresses, if possible. The cost of posting out information and event forms is very expensive and also very time consuming. Please keep the office up to date on your current email address.

Also we need better details for ALL members' information. Hopefully the move to the IMG system may assist in this but in these modern times the need for accurate information about a member is essential. Email address and mobile numbers are only the minimum requirements.

### **Directors**

I would like to thank all the Directors for their contribution and hard work over the last year. We have received four nominations, one for each of the Executive positions; and seven nominations for the Directors position. We normally have eight, therefore one Directors position will be decided at the AGM.

Therefore I congratulate Stephen Bruton, Vice President; Leonie Whiteford, Secretary; Ian Finlay, Finance Director; and the following Directors: Graham Boyton, Amy Chen, Stephen Gillespie, Simon Leung, Michael Turner, Paul Zhao and Guy Fainbloom and look forward to working with them over the next twelve months.

I would like to thank Tien for her continued role as the Director for AWD, she has been doing a great job and the numbers of players from that area has increased to a stage where we can now look forward to having AWD players in most State and Regional tournaments, as well as NSW representation at a national level.

Finally, I would again like to thank all Council and Executive members for their advice and goodwill over the past year. I believe that we will continue to develop this sport in the state and this can only be a benefit for our Affiliate members and players.

Dennis O'Brien  
**President**

I would hope that they will keep up the good work and good training for the coming years.

Congratulations to all players who made it into NSW Junior Top Ten and the Australian Junior Order of Merit and Top Ten.

The highlight of the Bennelong Cup 2012 was the fact that it was first ever international sporting event held in the Great Hall of Parliament House in Canberra. I helped TTA to organise to invite China Shandong Luneng Table tennis Club's players who played at the NSW Ryde Community Centre in October 2012. It is a 3 year exchange program contract. The purpose of this sport exchange is to promote and develop table tennis in Australia.

I would like to thank all the personals supporting and working for our NSW team. I would also like to thank all the staff of TTNSW for a great year of team work. I have enjoyed my time this year as the Director of Coaching for TTNSW. The overall results achieved were good and better than previous years and I hope that we are able to continue this success in future years. I look forward to continue my association in 2013 with TTNSW.

# **NSW Table Tennis Umpires Association**

## **Annual Report**

2012 was a busy year for the members of the Umpires Association. Not only did our members regularly officiate at Table Tennis NSW Tournaments, but they also officiated at many other events and tournaments. These included the Australian Olympic Qualification Tournament, the Oceania Olympic Qualification Tournament, Mounties Invitational, Benelong Cup and Benelong Cup Schools Challenge., Wah Sing Market City Tournament, World Teams Championships, ITTF Cadet Finals in Guam, Hong Kong Junior Open and the Australian Veterans Championships.

We also had a member involved in the 2012 Paralympic Games as a Technical Director for the Table Tennis.

Members also improved their qualifications throughout the year as well. Graham Boyton sat for and attained his International Umpires Badge. Stephen Gillespie sat and passed the Advanced Umpire Training Course to take the first step to the next level.

We also manage to attract one new young member to our ranks. Hopefully he will go on to have a long and successful career as an umpire / referee.

Stephen Gillespie

Secretary, NSW Table Tennis Umpires Association

# **TABLE TENNIS NSW - SUPPORTING THE COMMUNITY**

In 2012 Table Tennis NSW supported three events:

## **Teddy Bears Picnic**

This year the picnic was renamed as **BIG DAY OUT** and was held at Luna Park.

Table tennis did not participate as there was no indoor venue available. Table Tennis has been involved in the Teddy Bears Picnic from 2004 to 2011 and we hope to be involved in future events.

The organisers indicated that table tennis will remain on their activity list and will be invited to participate if a suitable site becomes available.

## **Variety Club Christmas Party**

Since 2007 we have participated in the event which is held for up to 9,000 children from disadvantaged backgrounds at the Darling Harbour Convention Centre.

We have been informed that the party will be held at Darling Harbour in 2013 and will be relocated to Luna Park in 2014 whilst the Convention Centre undergoes major refurbishment.

It was held on the 4<sup>th</sup> December 2012 and the support of Doug Flood, Lena Walczuk and the volunteers assigned by the organisers was greatly appreciated.

## **Sydney Special Children's Christmas Party**

This event was held at Rose Hill Race Course on 12<sup>th</sup> December 2012 for approximately 5,000 children who are challenged by a physical or intellectual disability, a serious illness or are from a disadvantaged background.

The participants enjoyed the opportunity to participate in an activity in which they could be involved. They would have their turn and then rejoin the queue for another hit.

Organisers observed the table tennis area at the 2011 Teddy Bears Picnic and asked Table Tennis NSW if they could participate in their event

Thanks to Doug Flood and volunteers assigned by the organisers for their efforts and support.

## **5 / 6 year old – watching, helping and participating**

The carers and the participants at these events indicated that they had played in previous years and that table tennis is one of the highlights in attending the parties. The carers look forward to the opportunity to sit down and have a rest whilst the children have fun playing the robots (or "the machines" as children call them)

As organisers we do not always recognise the children participating. However, this year at the Special Children's Christmas Party I noticed a six (6) year old boy pulling his mother towards the queue and his mother told me that he had been looking forward to this day for some time and that as soon as they came through the gates he went looking for the table tennis area.

This year he joined the queue patiently waiting his turn at playing table tennis and after his go rejoined the queue on a couple more occasions before his mother convinced him to look at other activities, he reluctantly agreed when he was promised that he could come back later. Sure enough he was back within the hour.

I remembered this young boy from 2011, when he stood outside the barriers, and despite encouragement would not have a hit, after a while he came into the area, picked the balls up and placed them in the ball collection. His mother said that she was happy to see him take an interest in table tennis as he had not shown interest in any other activity. Eventually he had a hit when we were starting to pack up and by then he did not want to leave. It was great to see him at the 2012 Party

The days would not have been possible without the co-operation of the volunteers as well as:

- Table Tennis NSW providing 3 full size table tennis tables
- Kogarah RSL for the use of Robbie the robot
- Nepean Association for robot, barriers and banners

There is positive feedback from organisers and participants for these events and they let us know that table tennis is integral in the success of these events.

Juniors had 4 teams with 8 players and both Natasha Fong & Rachel Huang were undefeated.

The winners were Blakehurst 1 Natasha Fong & Rachel Huang with St John's Park 1 Sivy Te & Catherine Trinn the runners up and the teams in equal third were St John's Park 2 Alica Chung & Rachel Vo and Blakehurst 2 Jacinta Su & Michelle Chen.

The schools competitions were excellent again this year and ran quite smoothly although this can be partly attributed to the lack of numbers compared to those of last year when we had record numbers for all events.

The small entry this year was disappointing but can be attributed to exams and limited time frame for schools in their calendar.

Finally I would like to thank Graham Boyton & Jannifer Aduckiewicz for their terrific work on the day and Michael Turner for his work on the draws as well as Ted Davis for the preparatory work and also the parents and Teachers for their valuable assistance.

Ian Finlay

### Team Manager's Report

Event: 2012 Australian Junior Table Tennis Championships  
Venue: Kingsway Indoor Stadium, Madeley, WA  
Date: 29th September to 6th October, 2012

NSW Junior Table Tennis team was well represented by 38 players, 8 dedicated coaches, and 26 caring parents. The championship was a success for NSW in many ways. As team manager, I was very proud of how our juniors conducted themselves. While our elite juniors concentrate on achieving their personal goals, I witness many matches where our inexperienced juniors, lifted their game and played their heart out doing the best they can possibly do.

#### **U13 Age Division:**

NSW dominated the u13 Boys team and individual events. While the A team (Jay Ong, Jayden Lam, Lenny Han & Richard Wang) knock out the Victorian A team to take home the Gold medal, the B team (Bob Liang, Mike Liang, Troy Zaitounian & Vartevar Zaitounian) knock out the Victorian B team to win the Bronze medal.

The u13 Boys Singles semi-final consists of 1 Victorian player and 3 NSW players (Jay, Lenny & Richard). Lenny Han did us proud by knocking out the Victorian player to guarantee an all NSW affair in the finals. He went on to win the u13 Boys Singles title, a well deserved effort for our little champion.

The u13 Girls team was weaken when our top 2 players (Antonia Zhang & Katherine Li) moved up to compete in the u15 Girls team event. They joined Mia Cross to form the u15 Girls B team. Seeded #1 for her age group, Antonia Zhang went on to win the u13 Girls Singles title.

#### **U15 Age Division:**

NSW girls dominated the team event by winning the Gold and Bronze medal. Our A team (Sarah & Vanessa Tan & Samantha Ong) proved too strong for the Victorian team to win the Gold medal, while our B team won the Bronze.

The Boys A team (Andy Yin, Anthony Zhao, Nicholas Lee & Thomas NG) narrowly missed out on the Gold medal play-off after losing 4-5 to South Australia. However they gallantly recover the next day to win the Bronze medal play-off. A player worth mentioning here is Andy Yin who was competing at the National level for the first time. Andy is a humble young boy who tries to perform to the best of his ability at all time, chopping point after point, never giving up throughout the team event. Having lost the decider match in 5 gruelling sets the day before, Andy picked himself up to win his 2 opening matches to give the team a comfortable 4-2 lead, thus lessening the pressure for his team mates who went

on to win the next match to win the Bronze for team. Out of 48 competitors in the u15 Boys team event, Andy was place 10th in the Order of Merit.

In the Singles event, Seeded #3, Sarah reached the semi-final, while Anthony who was un-seeded, reached the quarter-finals.

#### **U18 Age Division:**

Excluding the strong Korean Boys team, our u18 Boys A team (Abraham Ng, Danny Rauv, Erny Tsao & Peter Hoang) came 3rd to win the Bronze medal.

Combing with Vy Bui (SA) and Bethany Smith (Vic) to make the u18 Girls Presidents team, Isabella Chung won the Bronze medal (also excluding the Korean Girls team).

In the individual event, Erny seeded #6 reached the quarter final of the u18 Boys Singles. Seeded 3rd for the u18 Girls Doubles event, twin sisters, Sarah & Vanessa Tan knocked out the #1 & #2 seeds to win the Doubles title.

In summary, the results of our junior players would not have been possible without the dedications from our coaches, who at time had to coach more than one matches in the same time schedule to ensure that all our juniors have a coach on their corner.

Now a few more acknowledgements I need to make.

Firstly, the hard work and many hours put in by assistant team manager, Simon Leung, prior to the tournament have made my job as team manager so much easier. Thanks Simon for your dedication to the team.

Let's not forget the endless support from the parents. They made sure their kids are well fed and on time and cheered for all NSW players at the centre. A special thanks to those parents who adopt a child (or 2) during the championships. You have made taken a load of burden off me. I would also like to extend my personal thanks to Harry and Alan who offered their service as bus drivers. I have lost count how many times I asked them to pick up or drop off players. Even when their own child was competing at the centre, they would drop everything and go back to pick up the next team.

Once again thank you to all the players, coaches and parents for a wonderful week. It's the fond memories, pleasant experiences and proud moments from these championships that keep me coming back year after year.

I wish all the players the very best in the future tournaments.

## **Goulburn Report**

The club held its winter competition from February until July with the summer competition following until early December.

The Goulburn Closed Championships were held in August with A and B Grade Singles and Doubles as well as Veteran events being completed.

We entered into the Country Championships held in Gosford with some good individual results being forthcoming

Three of our members represented NSW at the Australian Veteran's Championships held in Canberra with mixed results. However all of these players had personal best results

It is pleasing to see a number of juniors being promoted through the ranks with two of them gaining promotion to A Grade and a further two fast approaching promotion.

## **Veterans Association NSW**

I am pleased to report that the NSW Veterans had another successful year in 2012.

Our Sunday competition has continued to grow to the stage where the organisers have needed to be innovative in providing the necessary number of tables for the competition. However we have had an increase in the number of forfeits occurring which is extremely disappointing as many of our players travel long distances to compete and are naturally dismayed when they then find the opposition has forfeited without even bothering to advise them. The committee is examining this aspect in an effort to minimise the forfeits.

The NSW Veteran Teams represented us very well in the Australian Championships held in Canberra. For the first time these Championships included Over 30 Men's and Women's events. Due to the late notice of the inclusion of Over 30 events the number of participants was not as expected. However the challenge for us in 2013 will be to ensure that we encourage as many Over 30 players as possible to participate in our Sunday competition and join the other participants in the championships which will be held in Darwin in 2013.

Our long serving Secretary, Carol Cowie, has been able to fulfil a long term dream and retire with her husband to the Far North Coast of NSW. She will continue to be involved in our Association however we wish her all the best in her retirement and thank her for all her hard work over the years.

We are already planning for another successful year in 2013-02-13

Ted Davis  
President

## 2012 Annual Report to Members

This is the annual report for 2012 year to be presented to members at the AGM on Monday 11 February 2013 in accordance with clause 23 of the Constitution. The Report has been prepared on behalf of the Management Committee.

### *The Management Committee*

The following members were elected to the committee at the 2012 AGM:

President	John Ryan
Vice-President	Michael Yabsley
Secretary	Adam Purdon
Treasurer	Bernie Kuiper
Public Officer	Alan Russell
Publicity Officer	Rob Beaumont
Social Secretary	Graeme Wells
Committee members	Guenter Arndt, Michael Dill, Gary Fisher, Nicholas Jones, Diego Valencia.

The committee meets regularly on the first Wednesday of each month. During the year the committee continued to develop its website, and the usual review of fees was undertaken. The management of our tournaments and championships is undertaken by the Match committee.

### *The Match Committee*

Michael Yabsley continued as convenor. The committee comprised four members, the other members were Rob Beaumont, Alan Russell and Bernie Kuiper. The committee was disappointed that on several occasions the notice required for inability to field a team was not given to the opposing team captain. The Management committee agreed that it is a serious matter, and is asking members for feedback on a proposed solution (see the last item of this report).

### *Competition and Championship results for 2011*

### *Review of fees*

Following a review of fees in September the Management Committee approved a modest increase in the nightly rate for seniors with minor adjustments of some of the other rates from 2013. In an attempt to attract young people on Thursdays, the first four nights for groups of three or more students are free. In addition, two free nights are offered other Beaton Park users. The fees to operate from 2013 are:

#### *Entrance fees*

Senior \$3, Junior \$1

#### *Annual subscription*

Senior \$3 + \$10\*, Junior \$2 + \$10\*

<i>Playing fees</i>	<i>Monday</i>	<i>Thursday</i>
Senior (18 +)	\$8	\$8
Pensioners/students**	\$6-50	\$6-50
Juniors (under 18)	\$4	\$4
Family rate		\$10
Groups of 3 or more students, first four nights		Free; then nightly fee
Beaton Park members***, first two nights		Free: then nightly fee

Note: \*The \$10 is accepted by the NSWTTA as a 'social registration fee' which provides members playing in the Illawarra with insurance cover. The \$10 is paid to the NSWTTA. Members wishing to play in the Sydney or State competitions should register directly with NSWTTA, paying the State fee for their class of membership.

\*\*The concessional rate applies to CentreLink pensioners and University students, who need to produce their card for noting on the first attendance to claim the concession.

\*\*\*Beaton Park members include all sportspersons paying to attend any sports at Beaton Park; they can attend practice on Thursday nights, the first two free of charge.

### *Annual Dinner*

This is an important opportunity to acknowledge the achievements of our members. Medallions were presented to the Winners and Runners Up in all events. Life Members Alan Russell and Tony Arts assisted with the presentations. Members and their guests were challenged by the several trivial pursuit competitions. An excellent evening was enjoyed by all. Thanks are due to Graeme Wells and Alan Russell for organising the evening.

### *Financial position*

As shown by the annual financial statements, our financial position is sound. The Management committee decided that in an effort to broaden our membership base, funds and effort should be devoted to promoting the sport. A budget of \$5,000 was approved for the promotion. An overview of what is planned is shown below.

At the same time it is worth repeating (from the 2011 annual report) the benefits for members of maintaining a significant investment. First, the interest earned covers some of our expenses and, has enabled fees to be kept at their current levels for several years in spite of the annual Council increases in rent at the inflation rate. Second, it enables us to purchase tables and equipment as required without first having to raise the funds. Third, if the opportunity did arise for the Association to obtain its own premises, then we have a significant cash sum available.

### *Illawarra Credit Union (ICU) Sponsorship*

The ICU has been our major sponsor for many years. In a review of their sponsorship in 2012 the Illawarra Credit Union emphasised the benefits to our members of their sponsorship. Specifically, members including members or their families, may qualify for concessional rates on mortgages or loans. The best way to find out if you might qualify is to enquire at the ICU. Further, if our members increased their business with the ICU, the level of sponsorship could be raised.

### *Our Promotion, February 2013*

Plans are well advanced for this promotion for which we seek the support and involvement of all members. Two banners have been ordered, and brochures and flyers are being produced. With the banners as focal points, members would hand out flyers. The feature of the promotion is three free nights, Thursday 21 Feb., Monday 25 Feb., and Thursday 28 Feb., at Beaton Park from 7.30pm to 9.30pm, with special programs, including fun activities. So help will be needed in distributing the flyers, and assisting with the programs which largely will be directed at newcomers.

### *Acknowledgements*

On behalf of the membership, it gives me pleasure to acknowledge the commitment of all committee members, and to thank them all for their contribution. Alan Russell remains a tower of strength for the sport and the well-being of the Association. He is always there to help and advise members, assisting with coaching whenever requested.

*Expression of opinion on imposition of non-refundable bond or entry fee*

The Management committee seeks an expression of opinion on their proposal which, it is hoped, would provide a strong motivation for teams to abide by the rules when they are unable to field a team. The present rules require a team captain unable to field a team to notify the team captain of the opposing team “not less than 24 hours before the match” wherever possible, and also to inform a member of the match committee (Rule 4.4). This rule was not followed a number of times, which is particularly unfair on those members travelling a long distance for their match, only to find that their opposition has not fronted up without informing them.

The Management committee proposes that a non-refundable bond of \$60 be levied on each team entry, with the bond being forfeited in the event that this rule was not complied with. In normal circumstances where the rule is observed, the \$60 would be credited over the last few competition matches as team playing fees of its members.

John Ryan, President  
for the Management Committee.

## Sydney Northern District TTA – Report 2012

Our District continued to improve participation levels during 2012 in both competition and social play thanks to various promotional tournaments like the NSW Corporate Games (In aid of Diabetes Australia), the SND invitational Premier League Challenge (with decent prize money) and the PCYC, MQ Uni& Suns Annual Events. We now have 13 clubs participating in the District competitions divided over 5 divisions and are negotiating with a few new clubs to further expand. Associated clubs are also active in junior development and the number of NSW and Nationally graded juniors is gradually improving. With the proven health benefits of playing Table Tennis at any age the number of Retirees taking up the game during the day is also on the increase.

Thanks to a development grant from TTA to the Suns club, the District will in 2013 start Table Tennis for Athletes with Disabilities (AWD) at a new venue: the PCYC Performing Arts Centre, Edgeworth David Ave, Waitara, from early February on Wednesday nights from 7.30pm. We encourage interested players to participate as the first step to perhaps eventually qualify for future Paralympics participation.

The SND committee is also a strong supporter of the implementation of a Metropolitan League for A graders and above, to be played on weekends between TTNSW affiliated associations/clubs on a home & away basis. We are working towards an initial competition during 2013, which we hope will assist qualification for the proposed national club championships by TTA in October.

The Premier League at the 2012 Districts Championships was won by Chris Yan, beating Justin Han 4-3 in the final. The doubles was won by Miao Miao& Erny Tsao, who beat Justin Han & Richard Wang. Other Competition results were as follows:

Winners:	Autumn Comp.	Spring Comp.	District C/ships	Top 5Div'n 1
PCYC A	PCYC A		R.Tanner	W.LyDiv'n 2
Cherrybrook A	Hornsby RSL Red		R.Liu	T.LeungDiv'n 3
Ararat B	Nth Syd. Leagues A		M.Inkinen	H.LongDiv'n 4
Hornsby RSL Blue	Epping YMCA A	M.Liang	M.Inkinen	Div'n 5
PCYC G	Cherrybrook Dning		C.Catlin	M.Liang

During the year we tried to encourage schools to participate in the schools competitions at Homebush by sending entry forms and leaflets to 52 schools in the district, but no reply was received on our request if there was any interest in participating in a local schools tournament. In contrast, the Bennelong Cup was a considerable success and we will continue our support for this event as John Alexander MP is the patron of our association.

Please take a note of our main events in 2013: Saturday 16 March: NSW Corporate Games and Saturday 31 August: SND Open Premier League and Northern Districts Closed Championships, both at the Thornleigh Brickpit.

Theo Morsink, president SNDTTA Inc.
