Presidents Report for the 2014 AGM

On the occasion of my fifth AGM as President and my last, the year completed has seen a lot of activity, as well as some difficulties.

2013 saw the first totally sponsored national tournament, which was held in Sydney mid last year. The idea of having a fully sponsored event is certainly a good one, but the terms and conditions need to be very clear from the beginning. As with most first events, there were hiccups and hurdles. The actual tournament went well and from the players point of view was successful. This is mainly due to the tireless efforts of many of the Council members here in NSW.

It would be fair to say that some of the arrangements from TTA were not the best planned and some expectations fell short. This did have an impact on the finances of TTNSW, at least for the short term, this will be discussed further when the Finance Director presents his report.

As a Council we made decisions to try and improve on the membership database and web sites. We are not yet totally happy with every aspect but we do see the future clearer and believe that members will start to see better services over the coming year.

TTNSW has continued to grow with new Affiliates and new player members. Our Social membership has been a great success and it is hoped that in the future some of these members will upgrade to full membership.

During 2013 the number of registered players exceeded 2500, which is a great improvement on the past several years. It should be acknowledged that the great majority of these are "Social" players, which only confirms the success of our planning several years ago.

We also welcomed the following Affiliates to TTNSW and look forward to more groups from around the State joining us.

- Manning Table Tennis Club
- Inh Le Table Tennis Academy
- NH. Table Tennis Academy
- Vietnamese Australian Table Tennis Association
- Wagga Wagga Table Tennis Club

We now have over 50 Affiliate members, which is a doubling of the number in the past 5 years.

Again our representative players gave their all and did NSW proud. We have a number of up and coming players and I believe that we will continue to see good result at National and International events.

Again I must thank Jan and Ted for their efforts, as well as all the Council Directors. I do not think that members appreciate the work, mostly volunteer, that the Directors and Office Bearers undertake during the year for players and Affiliates.

We are a small sport with little financial support from governments or sponsors. Of course a better financial base would allow us to do more, but there is only so much one can achieve from membership or event revenues.

Recently many of us had the sad duty to attend the funeral of Dot De Low. There is not much one can add to the record as far as Dot goes, but she was truly an inspiration to all at any age.

I have made the decision to stand aside because I believe that 5 years in a position is enough and we must allow for new ideas. I'm certain that the new President Ted Davis and Vice President Douglas Flood will bring new ideas to the table and path the way for the future growth of the sport in NSW. I also welcome a new Director and wish the new Council all the best for the upcoming year.

I have decided to remain a Director for at least the next year and will make myself available to assist the new Council in any way possible.

Sadly, as I have reported a number of times over the years, The Loop, still remains one area I am not satisfied with our performance. With a new Webmaster and a different approach I hope we can start getting better quality of information out to Affiliates and Players in the next 6 months.

It is very important in this modern information and technology period that all registered players, or their Clubs, give us up to date email addresses.

Finally, I would again like to thank all Council and Executive members for their advice and goodwill over the past years and I look forward to seeing the new Executive expand our organisation.

Thank you for your support and confidence over the past 5 years.

I hope that they keep up the good work and good training for the coming years. Congratulations to all players who made it into the NSW Junior Top Ten and the Australian Junior Order of Merit and Australian Top Ten.

The highlight of the Bennelong Cup 2013 was the fact that it was first ever international sporting event held in the Great Hall of Parliament House in Canberra with teams from Japan, Korea, China and Australia. I helped TTA to organise the invitation to China Shandong Luneng Table Tennis Club's players who also played at the NSW Ryde Community Centre in October 2013. It is a 3 year exchange program contract. The purpose of this sport exchange program is to promote international standard in Australia.

BANKSTOWN Council

Table tennis was proven to be a popular sport at Panania Village Market 'Come and try Table tennis'. Thanks to Ms Gillian Hutchison & Mr Michael Thane. Both help to show case what table tennis can offer to the local community.

Padstow R.S.L Table Tennis Club

Mr. Glenn Brookes MP, Member for East Hills, was pleasantly surprised to find how popular the sport of Table Tennis has become especially in the Bankstown area. Groups of serious players are involved in the whole area which meets at the Padstow R.S.L. Club every Thursday night and Club donates prizes. What is great about the Padstow R.S.L. Table Tennis Club is that each Thursday, players are matched with a different person each week, drawn by lottery so that less experienced players find themselves either

partnering the best or playing against the best. All do their best to become the No. 1 team on the night.

Table Tennis Umpires & Referee's Association

Annual Report

2013 was once again a busy year for members of the Association. Not only did our members regularly officiate at Table Tennis NSW Tournaments, but they also officiated at many other events and tournaments. These included the:

- Australian Open
- Australian National Championships
- Mounties Invitational
- Bennelong Cup
- Bennelong Cup Schools Challenge
- ACT Open
- Oceania Junior Circuit Event in New Caledonia
- ITTF PTT Oceania Regional Para Table Tennis Championships
- Australian Veterans Championships.
- Special Olympics Asia Pacific Games

In December a State Umpires course was run for Table Tennis ACT members. There were originally 12 people due to undertake the course but only 11 attended. Of those 11, 10 sat both the Oral and Written Exams and 9 out of the 10 passed and will be undertaking practical assessment on TTNSW Tournaments in 2014. The one member that did not pass will be re-sitting the written exam as an oral exam some time in 2014.

We also welcomed back a member who had let their accreditation lapse but has requalified.

All table tennis people in NSW need to keep in mind that in 2018, Australia will host the Commonwealth Games on the Gold Coast. For the table tennis Australia should supply approximately 50% of the umpires for this event. This would normally amount to somewhere between 20 and 35 umpires.

To achieve this we will need to increase the number of umpires qualified at the National or International level. The ITTF URC would like to see more young and female umpires at these events. To qualify as an International Umpire for 2018, you will need to gain accreditation as a State Umpire in 2014 and a National Umpire in 2016.

If you are a player who is unlikely to make an Australian Team, then it could be a good idea for you to qualify as an umpire so that you can attend these big events and make friends from around world and have some of the best views of some great table tennis. Becoming an Umpire does not stop you from playing.

2013 Australian Junior Championships

Team Manager Report (Leonie Whiteford)

The 2013 Australian Junior National was held in Croydon International Table Tennis Stadium – Pinks Reserve at Kilsyth – Melbourne. There were 83 team members in total (42 players, 31 parents, and 10 coaches).

All of the team members arrived on Saturday - after many delays & cancellations with Virgin airlines and the many fans travelling to Melbourne for the AFL grand final . We were on a very limiting time schedule - we managed to get the team coach and arrive at the motel by 11:30 Simon, Michael & I had only 30 minutes to get to Dandenong to Thrifty to collect the two vans before mid-day (their early close due to AFL grand final) – we made it with 1 minute to spare .Most were at the motel by the time we arrived back and promptly all had lunch at the motel bistro. We had a quick team meeting in the bistro – with all players and parents included .Then the trek to the local Coles for the mothers and some of the players. This followed by team practice session from 4pm to 5 pm – the NSW schedule team photos at 5 pm – the Managers meeting at 6 pm & finally the Opening function at 7 pm.

I was invited by Croydon Districts Table Tennis Association to give a welcome speech on behalf of Table Tennis Australia and then declare the Championships Open – this was new ground – not usually a speech giver & to declare the championships Open – this was quite an honour for me – Finally first day over

1st morning – travel to venue – two vans and 3 x trips required – no problem – the venue offered 3 x meals per day pre ordered – 1st morning trip at 7:30 am – breakfast trip –
1st van returns – both vans leave at 8 am

No other problems with travel – teams not playing in the morning had the choice of the 2nd van not returning at 8 am but returning at 10:30 am

Next team meeting – all players exited after first two days playing – I stressed at the meetings we are playing for NSW so it is important to cheer loudly for your team mates – I also emphasized the TTA player codes of conduct and stressed a few important points to both players and parents – It is important not to cheer when your team mate gets a lucky net or edge or when their opponent serves a fault. I also stressed no bullying or harassment of any kind to either your own team mates or anyone else.

I was very happy with all the parents and players – there was no one clapping nets or edges or opponents faults. All players and parents performed admirably

The whole team showed great harmony all players got on together.

The week was somewhat dampened by a gastro virus ravaging the championships with all states affected (except Victoria)

Queensland had 2 or 3 affected at the same time – one boy had to go to hospital from the venue in an ambulance and another Queenslander was sick all over the table – many players also had to forfeit matches towards the end of the week

We had one player affected badly – which meant Simon, Guy and me taking him to the hospital late at night – he stayed until the next morning

Fortunately all players were able to travel home with the team on Sunday

At our last team meeting I told the players that NSW was extremely proud of their performances. This meeting was followed by a birthday party for Matthew Wang he has just turned 15 – the party was in his room (it goes like - how many elephants can you fit in a telephone box)

I must congratulate all the coaches who did a fantastic job

Guy was unable to arrive before the Tuesday morning team matches but we were able to provide the U13 Boys with either Peter Masen or Paul Zhao – as they both had byes or no matches – and for being versatile on the last day to ensure NSW had every opportunity to get the best result – this did cause a somewhat domino effect

Also for the singles round robins we were able to find every player a coach –

Schedule was – 1st session 16 x coaches – 2nd session – 17 coaches – 3rd & 4th sessions 11 each & fifth session 17 coaches – having so many players a lot of players were on adjoining tables – also Tony Lee assisted as did Abraham & Glanden

All players played well and within the spirit of the game and players who were not in that time slot supported very well by cheering loudly

U13 Boys:

The A team had 5 x players and they all played well and supported each other – each time after their team meeting they congratulated each other by being selected for the next match – their last 3 x matches were extremely tough against Queensland very close match the score line of 7-2 in our favour did not reflect the closeness of the match this won the pool this allowed us to finish first – the semifinal against Western Australia – win 9 – 0 – the final against Victoria A for the gold medal – Jay lost the first single – Mike stepped up in the next match and won in 5 sets – this was 1 – all – Lenny lost the next match – very close in 5 – we lost the next 2 matches very close which the result could have gone either way – we could have been up 3 – 1 instead of down – which would have changed the pressure on the Victorian's – final result was Victoria 6-3

The B Team only had 1 x player with previous experience – Danny did an excellent job with the boys and was in very high demand for individual coaching – all week – he now has a new appreciation for coaches and coaching – he was exhausted

U15 boys

A team started very slowly losing to Victoria A in their pool match – coming 2nd in the pool and playing Korea in the first play-off match – in the final play-off they played Vic B for the silver/ bronze – Richard won his 3 x matches – Jayden Lam stepped up to the plate to play the pressure games coming from behind in 2 x matches to win and give NSW a victory – final result was 6-3

B team – always a hard age group to coach especially if your son is in the team – they battled very hard – Also Victor Wong played in the presidents team and had some very good upset wins and very close losses against much higher ranked players – he won 1 x against NSW A team & 2 x against NSW B team

U18 Boys

A team were in a very hard pool with Victoria A & South Australia – they lost 6-3 to Victoria & had a very close one against South Australia – Nicholas had to play Sam Von Einem at 4 all and he lost in 5 sets

So this put NSW A out of the medal play offs – They did win their remaining pool matches to finish 4th

B team played very hard – Andy again playing very well against Derek Tun and just losing in 5 sets – same result as at the U21's – Glanden played very well and with great passion he was unlucky just to miss out on an order of merit- he showed great team spirit was leader of the cheering at all matches along with Abraham- both Abraham & Glanden assisted with coaching some of the younger players – Glanden is keen to continue at the Juniors and highly keen to assist in a coaching role

U13 Girls

The team tried very hard – Young Erin (Smiley) was into everything and has found a new passion for mixed doubles – Erin was having so much fun she was even dancing in the umpires chair (does everyone know – walk like an Egyptian – well now they do)

The team lost every game but Erin won 2 x against Vic A & 3 x against Vic B – Morgan did an excellent job with the girls

U15 Girls

They played strongly all week and did manage to take 1 set off the Koreans – they won all other matches – with some minor glitches along the way

U18 girls

A team – played very strongly all week – The Koreans were always just that much faster & sharper – Vanessa & Angela performed very well and by the end of the week had lifted their own standard Sarah also lifted her standard and was evident by her also taking a set off one of the Koreans in the individuals. When we played Victoria we came up against two players who had completely lifted their games and

unfortunately we lost the close ones – end result 6-3 to Victoria but the match was much closer than this score line.

B team – we had 2 x new players and 2 x players playing out of their age group – Lucy was a late replacement (12 yrs) and had never played a tournament previously – she showed extremely good temperament and always keen to learn- when this team played the Koreans – Harriet won more points than the Top ranked Australian player and Lucy by the end of the first match was able to return serve as was Sharon – great effort girls – proud of you

Teams event results:

U13 Boys	A Team – Silver B Team – finished 8 th	U13 Girls – finished 5 th
U15 Boys	A – Team Silver B – Team – finished 11 th	U15 Girls – GOLD

Sydney Northern Districts Table Tennis Association Inc.

SNDTTA Presidents Report 2013.

The Sydney Northern Districts TTA is proud to report the completion of another successful year. We welcomed the Nam Ho TT Academy in Gladesville as a new club and the total number of players participating in our competitions continued to rise. It is therefore appropriate to congratulate all our member clubs for not only trying but also for being successful to create more interest in our sport. It is my belief that we have the right structure in our district for further expansion and I have written to Table Tennis Australia that our set up should be used as an example for restructuring our sport in Australia, with the ultimate goal of arriving at a properly constructed National Club Championship and bring cohesion to the current rather diverse set up.

2014 looks to continue our expansion with New clubs: ICMS-Manly, Aus/Korea TTA-Meadowbank, Chatswood T&TTC and Pittwater Sports TTC-Nth. Narrabeen, all showing interest in joining us in the next competition. They have been added to our new brochure to make the public aware where to play table tennis. I encourage all clubs to distribute this brochure in their area as a tool to increase their membership.

Below please find the results of our major 2013 competitions and on behalf of the SND committee, congratulations to all the winners with their success.

The Premier League Challenge, which is now part of the SND Annual District championships, was again won by Chris Yan who beat Tatsuo Hidaka and Kane Townsend in the finals pool. James Wong won the Veterans singles and Ethen Chow the Juniors.

During the year we had a few problems with regard to postponed matches and doubtful doubles combinations as well as the use of utility players, which were all resolved, but it necessitated writing additional rules to our by-laws. I therefore suggest all clubs to read the updated version prior to the commencement of the Autumn competition.

It remains for me to thank my fellow committee members for their support during the year. Special thanks to our Secretary/Treasurer Barry Davies for carrying out this demanding function so admirably; to our recorders Syd Birchall, Clement Siu, Owen Ow, Sonny Ching and Allan Xu and of course Jill Abrahams for looking after Manly Vale. Last, but by no means least, to Rod Falck for looking after the SND website for many years and who is now retiring. We wish you well and hope you are not lost to table tennis. Allan Xu has offered to take over the website.

Theo Morsink, President SNDTTA Inc.

The schools competitions were excellent again this year and ran very smoothly with the numbers varying some events down on last year others were up which was encouraging although all were down compared to those of 2 years ago when we had record numbers for all events.

The entry this year was still disappointing and can be attributed to exams and limited time frame for schools in their calendar which in some cases meant that some schools could only attend one event.

Finally I would like to thank Graham Boyton & Jennifer Aduckiewicz for their terrific work on the day and Michael Turner for his work on the draws as well as Ted Davis for the preparatory work and also the parents and Teachers for their valuable assistance.

VETERANS REPORT

NSW Veterans enjoyed another successful year in 2013.

Our Sunday competition has continued to grow to the stage where the organisers have now approached the Sydney Indoor Sports Centre management to allow extra space for our teams. We continued to receive a disappointing number of forfeits which, at best, is extremely disappointing as many of our players travel long distances to compete and are naturally dismayed when they then find the opposition has forfeited without even bothering to advise them. The committee continues to seek ways in which to minimise the forfeits.

The NSW Veteran Teams represented us very well in the Australian Championships held in Darwin. These Championships again included Over 30 Men's and Women's events.

This age group is the one in which our membership, and that of Table Tennis NSW in general, is weak. The challenge for us, and all the Associations affiliated with Table Tennis NSW, in 2014 and beyond will be to ensure that we encourage as many Over 30 players as possible to participate in our competitions which in turn should lead to greater participation in future Australian Championships.

On a sadder note our members farewelled our oldest member, Dot De Low, recently when she passed away at the grand old age of 103. Dot had been in good health until late in 2013 and had continued to play our game regularly. She was a magnificent ambassador for our game and will be missed. Our sympathies are also extended to the Beaumont family who suffered the loss of the matriarch Thelma and son David last year.

We are already planning for another successful year in 2014

Ted Davis
President

Table Tennis Goulburn Report

Table Tennis Goulburn Inc. has had a good year with the club competitions both Winter and Summer and then the closed competition in August.

We undertook a major project of preparing new premises for the club. The new premise is a Nissen Hut located on the Goulburn Workers Club sports arena. The GWC gave us permission to upgrade the building which had actually become a dumping ground for all sorts of things including the replaced underlay for the hockey field. This same underlay is now the flooring for the building overlayed on the cement tiles that are there.

We officially took up residence last Sunday 19th January when we had a BBQ and trophy presentations for the 2013 competitions. A number of the older players who started the club back in the 1950s were invited and came with their wives and husbands. It was a great day and it is nice to be in our own premises where we have access 7 days a week and unlimited practice times.

We begin the Winter competition early February and look forward to a very good year. The Goulburn Workers club has made all of this possible.

TABLE TENNIS NSW – COMMUNITY INVOLVEMENT

In 2013 Table Tennis NSW was involved in five (5) community events:

Family Fun Day

Was held at Penrith Primary School and was an initiative of the Department of Family & Community Services – Ageing Disability & Home Care..

It was held on the 24th February 2013 as an opportunity for people with a disability to come and try table tennis.

Approximately 500 people attended and Table Tennis NSW provided one (1) table and robot for a one (1) hour time slot.

An invitation has been received for the 2014 event at a date to be confirmed.

Come & Try Day

Was held at Blacktown Olympic Venue on the 21st September 2013 organised by Blacktown City Council

Table Tennis NSW provided one (1) table and robot for the day and was manned by representatives of the Blacktown Workers Table Tennis Club – Damien Saleeby, Heinz Hellwig and many volunteers.

They did not stop from the time the gates were opened till closing time.

I am informed that a good time was had by everyone – even though it was in the open and not an enclosed venue. Every one adapted to the conditions.

Variety Club Christmas Party

Table Tennis NSW has been involved since 2007 and is an event held for up to 9,000 children from disadvantaged backgrounds at the Darling Harbour Convention Centre.

It was held on the 21st November 2013 and the support of Doug Flood, Lena Walczuk and the volunteers assigned by the organisers was greatly appreciated.

It has been held annually at the Darling Harbour Convention Centre and will be relocated in 2014 to a venue to be determined (possibly the Horden Pavilion) whilst the Convention Centre is being refurbished.

The organisers have indicated that room will be made available for one of the most popular activities.

Junior Christmas Party

Was held at Narrabeen Sports Academy and was an initiative of Wheelchair Sports NSW..

It was held on the 7th December 2013 as an opportunity for people with a disability to try table tennis.

Approximately 50 people attended and Table Tennis NSW provided two (2) tables for a two (2) hour time slot.

NSW Table Tennis Director for athletes with a disability attended and successfully navigated to and from the venue..

Sydney Special Children's Christmas Party

This event was held at Rosehill Race Course on 12th December 2013 for approximately 5,000 children who are challenged by a physical or intellectual disability, a serious illness or are from a disadvantaged background.

As with the Variety Club Christmas Party it is a popular activity for those attending the party.

The purpose of Table Tennis NSW being involved in these activities is to promote the sport and gain new members.

Thanks to Doug Flood, Beverley and David Clackson & volunteers assigned by the organisers for their efforts & support.

The days would not have been possible without the co-operation of the volunteers as well as:

- Table Tennis NSW providing 2 full size table tables
- Doug Flood for time, robot and targets
- Nepean Association for robot, barriers and banners

There is positive feedback from organisers and participants for these events and they let us know that table tennis is integral in the events success.
