President's Report

The 2020 year has been challenging on many fronts, most issues being far more important than the game we love to play. Nevertheless, we have maintained our various programs as best we could under the circumstances.

I have had three areas of focus over the year.

1. To protect our assets
2. To generate revenue through Government grants.
3. To search for a permanent home for our sport.

ASSET PROTECTION

Asset protection is an on-going function of the President's job and will continue as a focus into the future. We are developing policies around revenue generation and expense minimization and will begin to see the fruits of our efforts over the next couple of years.

GRANTS

Some of our politicians have had to answer awkward questions with regard to allocations of grant funds to favoured communities. It seems that Pork Barreling has become an ingrained method of maintaining voter favour. Needless to say there were few funds left in Grant kitties to be applied to non-aligned sporting organizations such as ours.

Hopefully, with the exposure of these political rorts, we will see a more level playing field for the allocation of Grant funds in the future, and accordingly we will continue to generate applications for funding.

TABLE TENNIS CENTRE

There was a brief glimmer of hope during the year, that we might have been able to secure the use of the defunct Olympic Velodrome in Bankstown.

Drawn out negotiations were cut short at the last minute, with the result that as far as the Office of Sport was concerned, no changes to the status quo would be considered, and hence this opportunity went up in smoke. We will continue to evaluate opportunities as they present themselves, and hopefully deliver an outcome in the not-too-distant future.

I would like to extend my thanks to all the players, officials and volunteers who maintained our various competitions through the year. Their persistence in the face of the many setbacks and the danger of infection should be highly commended.

Hopefully, things will improve as vaccines are distributed, and we can return to some form of normality in the back end of 2021.

My thanks, too, to the Board and Council of Table Tennis NSW for their hard work in maintaining our sport through a tough 12 months.

Tony Aduckiewicz
President TTNSW Inc

Secretary's Report

We began 2020 in January with the news that a COVID virus was reported and at this point the unknown was how far-reaching and the extent of this virus would become. We listened intently to the news reports.

As we commenced our Calendar for 2020 with GPS Schools and TTA High Performance training the news of the outbreak had progressed from a minor concern to a MAJOR worldwide pandemic named COVID – 19. Immediately steps were in place to take precautions with increased hygiene protocols at venues, work- places and homes.

By mid-March and after the NSW Closed and Junior Closed Championships., we had already selected teams for the Australian Closed, U21 and Para Championships all entries had been entered three weeks prior to the event. The borders were closed, and total lockdowns occurred. These lockdowns continued in our State until July. A global pandemic was upon us to the extent that no living person had experienced. The National Championships were immediately suspended indefinitely.

The Federal Government and Health Authorities and other Government agencies acted swiftly in putting in place legislation to manage the spread. All air traffic both International and Domestic was also suspended.

Our return to Sport was identified by the National Authorities and was in line with the Federal Government template.

So, in moving forward in our return to Sport – there were many changes and adjustments to our usual way of attending and playing our matches. After many meetings with outside agencies and our committee we were able to provide a modified calendar / schedule to a safe return to play in July.

I would like to thank our Tournament Committee and all our members for assisting with the new and unusual procedures required to continue playing at our game.

Our first event for the Return to Sport – the NSW Junior Open using a fully timed draw with one singles event only and no doubles – all events timed and played to completion to ensure get in – play - get out.

It was expected to be quite hectic, but, everyone was extremely helpful and assisted with a smooth transition on entry, by signing the declaration forms – agreeing to a temperature check abiding by the social distancing and taking responsibility for their own personal space. Regular cleaning and sanitising of tables and chairs. Checking draws and proceeding to their designated tables.

The Veterans Pennant days were also very smoothly completed with total cooperation from Veterans Committee and their players.

There was another lockdown at the end of August for six weeks and this proved challenging. We started back with the NSW Open again - singles events only over two days, we also introduced the RevSport on-line check-in for tournament entry and this system will be in place for future tournaments.

The Veterans completed their Pennant competition and the GPS Schools completed their 5 week competition commencing late October through to November.

During the lockdown we were issued with the Australian Sports Commission Template for our COVID 19 Safety plan together with a checklist. Each club / association was required to complete the appendix identifying their individual venue requirements.

In June Office of Sport NSW opened Grants specific for the fallout of the pandemic “Community Sport Recovery Package “as well as the Grassroots Sports Fund (for each affiliated club/ Association) -giving a window of only three days to complete The requirement was for exact information – Thanks to Ian and Ted I was able to be successful in both applications securing a near maximum amount available for the Community Sports Recovery and maximum amounts for all affiliates (whose eligibility was still to be confirmed)

In moving forward Table Tennis NSW has adopted all of Sport Strategic Plan (NSW version) and due to the success of the grant applications we are able to commence new initiatives in the Social Media area and across all digital platforms – New sub committees have been formed and hierarchies are in place across our website: Instagram, Facebook , U-Tube and Table Tennis Community Board . The social media team were in action at the NSW Open with many cameras and conducting several interviews using the Media area The Media team took over 20,000 photos over the weekend and Anthony has been releasing these slowly on the Instagram account.

A big thank you to Slawek, Dylan, Anthony & Matthew. Slawek also came to the Veterans Finals day and the GPS Schools competition taking more photos and generating much interest. This is an exciting time as the younger members have taken to these new roles and are working closely with Karen Zhang (a former NSW Junior based in Sydney) who is on Table Tennis Australia Board.

Once again, due to the Office of Sport NSW Grant we were able to cover lost costs, as well as purchasing new equipment to meet the additional requirements for conducting a COVID safe business – We registered as a COVID safe Business back in July.

We were also able to cover existing orders already in place for uniforms.

For 2021 we will be using two days for events held at Sports Halls Sydney Olympic Park and continue with the safety protocols for as long as necessary. The continued conducting of tournaments as fully timed events – with only on-line entry permitted which includes, to enter you MUST be a registered member. You also MUST pay on-line and on game day register your attendance – All draws etc will only be available on-line moving to a fully automated system.

There will be regular updates on the COVID situation as they come to hand with information placed on one or more of our digital platforms.

Most of our committee meetings have been via ZOOM – Thanks to Ted for organising these. We have our 2021 AGM in March and have it tentatively set as a ZOOM meeting unless conditions prevail and we are able to hold a face to face meeting at Sports House where social distancing can be maintained.

Some of the changes which have occurred in 2020 are improvements which will be retained. Some of the items we have been trying to secure over the past couple of years are now automatic – eg more bins, more floor cleaning (the venue requirement is to have a cleaner on site to wipe down the hard common surfaces) . Most bookings at the Sports Halls for 2021 have been maintained as both Saturday and Sunday, this to ensure social distancing and scheduled events not to clash.

In closing I would like to thank everyone for their positive responses to requests and I would like to remind people that everyone reacts differently under their own circumstances. So please be understanding of your fellow member's situation and please do not be offended if someone shows an unusual reaction. If anyone is struggling with anything it is important to notify someone and not keep it to yourself. I am always available to lend an ear. Please do not feel embarrassed by your feelings; sometimes just a simple acknowledgement is enough to help someone's state of mind. It is alright to ask "R'UOK "

Also remember other people with decision making - will react differently and believe they need to make an immediate decision which is sometimes out of protocol. You may not always agree, but, we have to expect this may occur in very trying times and it's important to support each other.

I would also like to thank our valuable Major sponsors who have come to our rescue in our time of need by securing : Grants – Clare at NSW Office of Sport NSW and Jason at Table Tennis World providing essential equipment necessary to continue safely in our sport immediately on request. I would also like to Thank: Michael Li , David Lee & Alice Lee who obtained sponsorship of PPE for Surgical Masks Sanitiser Spray and Instant Hand Sanitiser

Please Stay Safe as we venture into the next stage

Leonie Whiteford
Table Tennis NSW Inc.

Umpires' & Referees' Association Annual Report

2020 was a very quiet year for members of the Association.

National and International Tournaments

Month	Name of Tournament
February	ITTF-Oceania Tour Tonga
March	ITTF World Tour Platinum – Qatar

State Tournaments

Month	Tournament
February	NSW Closed Championships
	NSW Junior Closed Championships
March	NSW Junior Top 10
August	NSW Junior Open Championships
	SNDTTA District Championships
October	NSW Open Championships
November	St George Team Pennant Finals
	ACT Open Championships
October	Southern Districts Tournament

Education

Month	Course	Where
February	ITTF Basic Certified Umpire	Tonga
March	TTA State Umpire	NSW

We are looking to run 3 umpires course in NSW during 2021 as well as a National / State Referee course. This should help us with achieving TTA Officials Targets.

Qualification Upgrades

Member	From	To
Sam Miller National Umpire International Umpire (White Badge)		

Due to the lack of activity from mid March to July last year most people were not in a position to upgrade their qualifications. Australia was lucky in that we managed to get seven National Umpires upgraded to International (White Badge) umpires. This was greatly assisted by the ITTF running the International Umpires exam online for the first time.

TTA Officials Targets

Table Tennis Australia has set some ambitious, but attainable targets for the number of qualified officials by the year 2022. The targets are:

	Umpires			Referees		
	Australia NSW 2022			Australia NSW 2022		
State	57	16	100	25	5	20
National	10	3	20	2	0	15
International	38	6	30	6	3	10
International – Inactive	24	3		4	3	
International – BBiP	3	1				
International - Blue Badge	5	2	10			
International – Gold Badge	0	0	0			

NSW is well represented at the lowest and highest levels of officials. Where we struggle is with representation at the National Level.

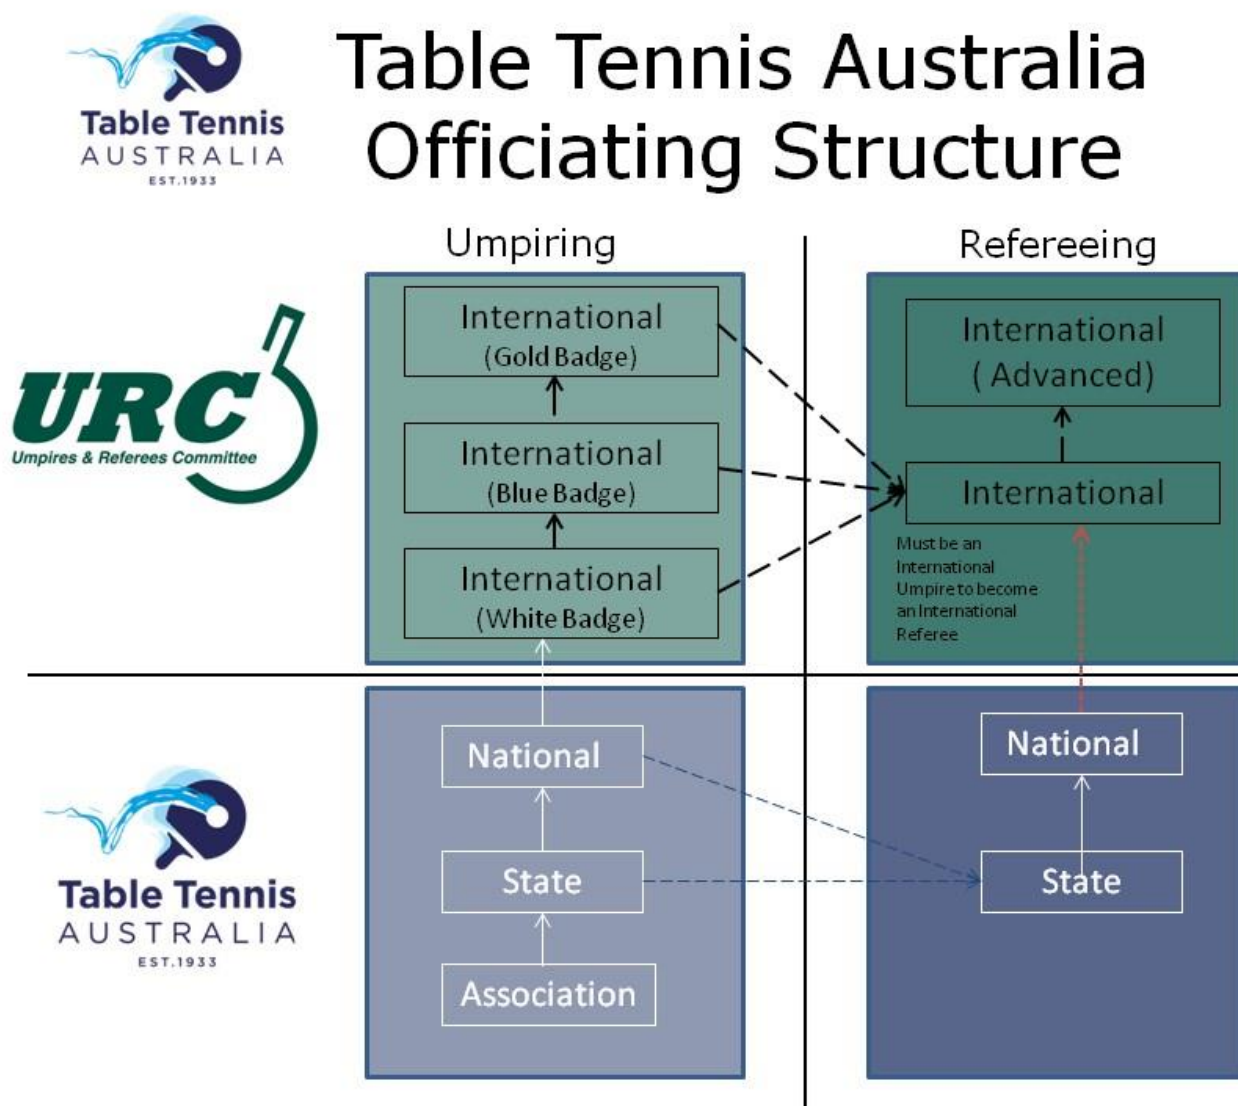

From my point of view, there are two main factors that affect this progression.

- ☐ Uncertainty and difficulty of officials of becoming a National Level official
- ☐ Lack of desire to progress in officiating
- ☐ Lack of courses run at the *National Level*.

We need to encourage more people to progress through the ranks

Officiating Pathway

The below figure shows the pathways for officials in Australia. TTA is currently in the process of reworking the way courses are presented for Officials and Coaches. It should produce a better overall framework for the officiating pathways.

Stephen Gillespie
Table Tennis NSW Umpires' and Referees' Association

Kiama Table Tennis Club

Kiama Table Tennis goes from strength to strength, with numbers seemingly to improve each week. We have 5 tables, and with attendances averaging 25 each day, we find doubles is the best way of satisfying the players.

We visited Toukley table tennis club in September 2019, taking 15 players, we played against them over 2 days in a friendly match.

They then responded to our visit and came to Kiama in February 2020 and enjoyed the 3 days they were there.

We also entered 3 teams in the Goulburn team's tournament in November, and have 3 teams playing in the Illawarra teams comp.

Searching for new premises is our big priority at the moment, as we feel that table tennis is booming in the older age groups in our area. The problem is getting someone to listen to us, and numerous letters and phone calls, have had little response. After searching the area we have found quite a few premises, but the storage and cost per hour, is still to be solved. We have approached Kiama Council to support us with a grant to lessen the costs. Still we soldier on!!

Last year we were approached to set up a new club at the Illawarra Sports Stadium, who wanted older age players to play 2 mornings a week. This venue boasts ten tables plus a robot, so it wasn't hard to convince our players and new players from that area to support the club. One of our players Bruce Powell, who lives close-by, is now in charge there, and has organised junior coaching during the holidays, with great success.

We have always prided ourselves on promoting table tennis and travel to different areas once or twice a year to play against a club in that area.

So, does any club want to CHALLENGE us?

Good Luck for 2021 and (Happy TABLE TENNISING)

Joy Boyd
Secretary

Wei Li's Table Tennis Club

I provide group training for children aged between 6 and 18 years. In addition, I provide one-on-one training for children and adults.

In 2020, due to COVID 19, I only commenced operations from October with 19 children attending regular training every week compared with nearly 30, before the pandemic.

Because of the pandemic, only one child from my club participated in NSW competitions this year.

Wei Li

St George and Sutherland Shire Table Tennis Association

We are exceptionally proud to report that 2020 was a successful year although international competitions, national competitions, state competitions and local competitions were ground to a startling halt due to COVID-19

Our congratulations to Michelle Bromley and Chris Yan on their selection in the Australian Olympic team. Chris was also honoured with the Table Tennis Australia Victor Barna Memorial Trophy as the Australian Senior Player of the Year whilst Michelle was also selected to represent Australia at the 2020 ITTF World Team Championships.

Many of our players were selected for National High Performance squads and also to represent Australia in the 2020 ITTF – Oceania Championships and the 2020 ITTF – Oceania Junior Championships and should be congratulated on their selection.

Our players were once again well represented in the medal winners in NSW Championships and the end of year 2020 ACT Table Tennis Championships

We were delighted to have Marina Helsingden (83 year old), Gillian Hutchinson (86 years old), Desmond Fitzpatrick (87 Years old), Paul Croft and Joseph Simon receive the Banks Outstanding Sporting Achievements Award for their commitment and achievements in our game. We thank the Hon David Coleman, Federal Member for Banks, for his continuing support.

Our membership numbers continue to grow with 250 members registered in 2020. This coupled with the quality of play and continually increasing standard of our players is promising for the future

The grant from TTNSW to commence our Active Table Tennis Club programme allowed us to continue to grow in 2020 with around 150 players regularly attending our Monday and Thursday morning sessions

We were fortunate to have the sponsorship of the Australia Chinese Table Tennis Lovers Association in both our pennant and Closed Championships.

TABLE TENNIS NSW INC

Financial Report as at 31st December 2020

Notes forming part of Financial report

The profit of \$189,438 includes the government grants of \$235,000, after repayment of \$26,000, from which \$45,000 has been paid out as grassroots grants.

Jobkeeper of \$19,000 was also received, so that we would have made a loss of \$20,062 if these items had not been received.

Prepayments of \$5,345 are amounts paid in respect of 2021 and creditors include \$1,909 of Affiliations received for next year.

The grant for \$154,000 is to be utilised over the next 2 years and will affect the bottom line during that time.

As this cannot be quantified at this stage, no allowance has been made in the accounts for this future expenditure required by the scheme.

TABLE TENNIS NSW Inc. EXPRESSES ITS GRATITUDE FOR THE VALUABLE ASSISTANCE PROVIDED BY THE NSW OFFICE OF SPORT
