President's Report

I am pleased to submit my President's Report for Table Tennis NSW.

In 2019 the State entered teams in all of the Australian Championships with great success.

A special congratulations should go to our State Junior teams who performed very well at the Australian Juniors held in Wollongong. Special acknowledgement of thanks should go to our Coaches and also Managers of our Junior Teams.

We would like to recognize the hard work Michelle Bromley & Chris Yan have put into gaining selection to the Australian/Oceania Olympic Table Tennis Team.

Table Tennis Australia has finally, after 7 months, put an agreement together regarding High Performance Training. It is still early times in the program and I believe we will not see the fruit of our labour until 2021. NSW has a lot of Juniors who will be coming into the program, a good sign for the future of the game in NSW.

Participation – New South Wales has many clubs not affiliated with TTNSW. These are made up of community, Senior Citizen clubs, Retirement houses and Church Groups which tend to play in small halls around the State. TTNSW has been in contact with a lot of these groups and is endeavoured to find out about participation numbers. TTNSW over the last several years, has taken part in The Seniors Expo in Darling Harbour. We take a Table & Robot, hand out TTNSW information and in return we find out where these seniors are playing, which we document to follow up.

Active Table Tennis Clubs – We have continued with our 2019 development program of opening venues which cater for the senior / retired players. We have opened a further 14 club/venues which play during the daylight hours.

In 2019 Table Tennis NSW has seen steady growth in the number of players competing in Open Tournaments. I can only put this down to the fact that our Tournament Officials are doing a great job. Many thanks to our Referees, Umpires and the volunteers who help out at our tournaments.

Unfortunately there are a lack of venues specifically dedicated to Table Tennis in New South Wales. This puts pressure on the organising committee when running tournaments and they often have to setup 20 to 30 tables on the morning of the tournament. Our Board is very committed in working towards obtaining a permanent dedicated Table Tennis venue. We are currently liaising with the State Government & NSW Sport & Recreation to make this a reality.

Table Tennis NSW is looking forward to working with TTA in the coming year.

JUNIOR TEAM MANAGER REPORT

We had an extremely large group of 190 – Players, coaches parents and supporters Most things went smoothly – It was great to see the continuation and expansion of U11 events – all highly successfully and will be continued for 2020. The U11's were an example of the camaraderie and sportsmanship at the grass roots level as all the players had fun and enjoyed every moment – even when being defeated by more experienced opponents . The team Mascots were increased to 4 and proved again very popular even with the other states. A big thank you to all the parents who complied with the local rules & requirements as well as organising the Team BBQ again one of the highlights. I would also commend the coaches and new coaches who dispersed their invaluable experience and knowledge. It was extremely pleasing to see the not as experienced coaches work wonders with the U11's and achieve results.

A huge influence on NSW Junior results at the 2019 Australian Junior Championships – commitment from the players at the compulsory Team trainings – co-ordinated by HongBo Liang – 5 x rigorous sessions 8 weeks out from the Championships – many of the players improved immensely – the sessions had 25 x tables and one session had the National TTA Head coach John Murphy attend where the all Junior players were on display

With co-operation and a commitment to provide players with clear pathways to the next level – Table Tennis NSW will enter an agreement with Table Tennis Australia to provide access to the National Squad sessions by invitation for Development players on a regular basis this will be signed early in 2020

GOULBURN TABLE TENNIS REPORT

A BBQ held in December 2018 was the culmination of the 2018 year when families and members got together for the awards and presentation day.

The club activities resumed in February 2019 after the Xmas /New Year break, with the start of the winter competition, which ended in July.

The summer competition ended in early December. Players from A and B Grades, including Juniors', competed. There were successes and personal best results in the different levels in the competition.

The club and the GWC Sports Council contributed to assist with the registration and accommodation for the players.

The Australian Veterans' competition was held in October where we were represented by two of our veterans for NSW. Financial support was given by our club and the GWC Sports Council to assist with their expenses of registration and accommodation.

The club 'closed' competition was played in October to determine the club champions in all grades for singles and doubles. The results of all the year's competitions were presented at the family BBQ in December this year.

We hosted the Invitational Tournament for the Southern Region again this year and is being held on the weekend of 2/3 November. This is to be the last one under the current contract with the Goulburn Mulwaree Council (GMC). This is a real buzz for the club to be highlighted among the other clubs who will be attending the tournament.

The community benefits from this with, the need for accommodation and spending in the local community. The sponsors are GMC, Table Tennis World and the Goulburn Trophy shop.

The disability toilet as referred to in last years' report is now in operation and proving a real benefit to the club. Thanks again to the grant received from the Veolia Mulwaree Trust and the support of the GWC Board.

We thank the GWC for their continued support throughout the year.
