## PRESIDENT'S REPORT

In submitting my first Presidential Report, I wish to place on record my thanks to all members of the retiring Executive Council for a year's work that has been very well done.

When the Council took over office, the Association was in a parlous position financially and prestige wise and was very much "in the red". However, by dint of hard work in a "togetherness" spirit the various Council members have brought it back to a healthy condition and have promoted the game both locally and in distant fields to an extent that could not have been visualised twelve months ago.

Whilst all Council members performed meritorious work, Mr. Len Haycraft, the Hon. Treasurer, deserves special mention as he had the unenviable task of unravelling the chaotic financial tangle in which the Association had been placed. His vast experience and his tenacity of purpose enabled him to perform this complex work with very gratifying results.

March, 1965

G.H.F. BRANDIS  
PRESIDENT

## SOCIAL ACTIVITIES

Social activities for 1964, whilst not being voluminous, have been well supported. At the beginning of the Winter Season a dance was held at the Burwood Table Tennis Academy to introduce new players, and present trophies for previous competitions.

At the commencement of the summer season, a social tournament was held at Summer Hill to introduce new players, and this turned out to be quite a good night. This sort of social evening does help to get new players into the game and also brings back players who may have been out of touch.

The Social Committee also ran several raffles during the year and wish to thank all those that supported us in this respect. We fully realise that all have commitments to meet and the generosity we have experienced from players and friends has been deeply appreciated.

## PROMOTION

The main work in this field was in the form of Junior coachings and demonstrations.

Mr. Cubitt regularly attended the North Sydney Police Citizens Boys Club and Mr. E. Levett organised Table Tennis activities at the Sydney University.

## PUBLICITY

Thanks to the great support given to the Chairman of the Publicity Committee, there has been an increase of Publicity of our sport during 1964.

The Association produced a new style Fortnightly News Sheet for the Summer Competition which proved very successful and popular with Clubs and their members. Newspaper space was again limited but showed a slight increase on previous years.

The N.S.W. Public Service Association magazine "Table Top" maintained its high standard throughout the year appearing four times.

## AFFILIATED ASSOCIATIONS SUB COMMITTEE

This Sub-committee was active during 1964 and reports considerable progress. Our first step was to arrange for affiliated associations to attend a full Council Meeting at Willoughby Park Bowling Club on Sunday, 1st March, 1964 at which a programme of development was submitted and approved and then carried out. This meeting was such a success that it will be repeated at the same venue on Sunday, 21st March, 1965 commencing at 11.00 a.m. We need to attract more affiliations particularly in country areas and would remind all registered players that they must not compete in any events with players who are not members of an affiliated association.

Events conducted included Country Championships, Country Cup and Victorian Country Tours, and in addition, regular news letters were prepared for affiliated Associations.

## APPRECIATIONS

The thanks of this Association are extended to all persons and firms who have assisted in various ways throughout the year. Our thanks to the Riversdale Mfg. Co., Dunlop Rubber Co., A.G. Spalding and Bros. and Mr. Keith Donald, Solicitor, for their assistance throughout the year. The Management of P. & O. Orient Lines of Aust. Pty. Ltd., the Directors of Western Suburbs Leagues Club Ltd., the Management of the N.S.W. Table Tennis Centre and Willoughby Park Bowling Club.

Thanks are also extended to all members of the Association and affiliated Associations and players for the help and co-operation given throughout the year.

### TREASURERS REPORT

The attached Financial Statement for the year 1964 shows that the Association has made a sound recovery from the position it found itself in the year under review.

We have presented all outstanding trophies and have also obtained prompt payment of entry fees as they became due.
