## PRESIDENT'S REPORT 2008

Another year has passed and the duties and demands of not only myself but, also the Council Members, Affiliated Associations and Volunteers has grown and is being continually met.

During 2008 we have on top of our normal state run tournaments, taken on the responsibility of planning and organising for two high profile events namely:

2009 World Masters Games  
2009 Australian Veterans Championships

These events will assist in raising the profile of table tennis in the media and help to further promote our game.

These two events have challenged our capacity as well as those of our affiliated association, St George & Sutherland Association, who have diligently worked with us on the viability of the Hurstville centre to meet international playing standards for the above events. The work is still continuing.

NSW Affiliated Associations, Clubs and members of the NSW Board and Committees, all deserve our praise for their devotion to table tennis and my thanks for the many hours they have laboured to promote the sport of table tennis to all the community.

We were pleased to welcome three new Affiliated Associations this year with Cabra-Vale Diggers Table Tennis Club; Orange Table Tennis Association and Pittwater Uniting Church Table Tennis Club joining our ranks.

Once again, I am pleased to say NSW TT Inc., has gained recognition in the community for providing an excellent volunteer service to two well known charities, namely:

The Children's Hospital at Westmead (event called Teddy Bears' Picnic), over 900 children and their parents visited our stall over an eight- hour period and enjoyed playing on the full size robot tables as well as the five to eight year old's playing on a miniature sized table.

Also, The Variety Club at Convention Centre Darling Harbour, again there were well over 800 children under the age of 16.

Both these events could not have been provided without the assistance of some twenty (20) table tennis players who volunteered their day to assist.

TTNSW is also involved with organising coaching and equipment for the disabled at Ryde Eastwood Rehabilitation Centre and Mental Health Services at Liverpool. Also, one-day events such as Wheel Chair and Paralympic qualifiers.

One of the major events we are involved in attracts over 1,000 school children in the

form of managing metropolitan school teams competitions for girls and boys at Homebush. The events are run over several days and, are very challenging events to plan and communication skills essential to make things happen on time.

In the country area, we are assisted by the Country League Association, who manage two big events namely, the Country Championship as well as the Country versus City teams challenge. Thank you for your efforts.

In 2008, over 15 players passed their coaching level certificates. We encourage everyone to at least pass a Level 1 coaching course and proceed to the next level. There is always a demand for coaches to help teach at various schools across the State. Our next goal for 2009 is to increase the number of umpires.

It is very important that, at all times, everyone promotes table tennis and encourages volunteers to assist with the challenges which are continually being placed on TTNSW Inc., in the completion of its duties. Without dedicated people to join various committees, we cannot continue to function and develop to a high standard.

Remember that TTNSW does not receive sufficient funding, to handle the ever increasing costs. We depend on our player members and their spouses to register and/or play in tournaments.

LES WALCZUK  
President  
Table Tennis NSW Inc.

## COUNTRY LEAGUE REPORT 2008

During the past year the Country League has been examining the way it operates and has put in place a number of initiatives.

### COACHING:

After examining coaching opportunities and the lack of face-to-face coaching in country areas, the executive sought a good quality DVD that, in particular, demonstrated how to play all the shots as well as footwork and strategies. As a result, the Killerspin, "Success in Table Tennis", featuring Zoran Primorac, was purchased. A copy has been supplied to each country association to assist in developing player standards.

### FUTURE COUNTRY CHAMPIONSHIPS:

Conducting the Country Championships has become a massive logistical task over the last few years as the venue has moved all around the state in an effort to promote the sport. The results have been varied, in that, if we go too far north we have very few southern players and vice versa. After examining the costs over the past 10 years and the impact the strategy of taking table tennis to some of these venues, it was determined that there was little benefit at all and a lot of effort by a few people.

A central venue that would allow roughly equal travel time was considered the best option, as it typically meant an increase in entries of 10 to 12 teams. A plan was devised to have a central venue locked in for at least three years in advance and to hold the event each year at the same venue which had all the tables and barriers.

Homebush was considered, but it is impractical for this type of event and too costly. Hurstville was considered but tables would need to be carted and the venue cost too high. Central Coast was selected as it had the tables and the size and cost-wise was one of the cheapest venues. However, after discussions with the management, we found that we couldn't get this venue every June long weekend, but could get it each year if we held it at Easter.

The country Championships first started in 1954 being held on the Easter weekend at the Balmain Table Tennis Centre and continued till 1963, when Summer Hill venue in Sydney became available but, only on the June long weekend.

Easter had a lot of advantages in running the country championships, providing more time to hold events and potentially better travel times for players. This proposal of going back to Easter was then discussed by the country delegates at the AGM in June and put to all the players during the medal presentation on the Sunday afternoon.

From the feedback about going back to Easter, particularly the resistance to playing this weekend no matter what format and how much relevance players put towards having individual events, finally swayed the Committee into choosing an ordinary weekend close to the June long weekend but, with teams only at Central Coast where we will be able to accommodate 50 teams. So, in 2009 the Country Championships will be held on the weekend of the 30<sup>th</sup> and 31<sup>st</sup> May.

Central Coast have applied to get funding to upgrade their lighting and the country league will make a one off purchase of barriers which will be kept at the venue.

## OTHER EVENTS:

A northern region teams challenge was held at Lismore in August, including teams from Queensland. This proved to be an outstanding success, and the idea is to promote similar team challenges in the southern regions and out west.

The Country League is also considering another team challenge which could be on a club basis but have Sydney, Victorian and Queensland teams play against NSW country associations to be held later in the year, each year at the Central Coast venue. At this stage, nothing has been organised for 2009.

The 55<sup>th</sup> 2008 Country Championships were held at St Stanislaus College, Bathurst, over the June long weekend.

Bathurst Association did a fantastic job in promoting the event, through their local media and included getting two of Australia's Olympic representatives for demonstrations, William Henzell and David Zalberg. However, William injured himself before the main evening events, and Michelle Beaumont, as an Australian representative and a participant in the championships, then stepped in to fill in for William and with David Zalberg, provided some entertaining table tennis for the spectators.

Even a fire alarm didn't deter the function on the Saturday night.

The results were;

## **COACHING DIRECTOR'S REPORT 2008**

- 1. Appointment of Director of Coaching renewed in 2008**
- 2. I have begun to implement a Coaching Structure for NSW after consultation with the Board of Directors, Secretary and NSW President. The Proposed Coaching Structure was approved with the Board members in 2007.**
- 3. The following provides an outline of the NSW Table Tennis Proposed Coaching Structure:**
  - 1. The training system is designed to work in with the proposed National Training Centres for high performance program**
  - 2. Our common aims-key focus areas are development, participation and competitions**
  - 3. The structure creates a bottom up approach to table tennis sport and enables the sport to concentrate its efforts on developing the foundation for future growth, up to the elite level of international standard.**
  - 4. In developing the Coaching Structure, we need to ensure that strategies are developing and implemented into our table tennis sport by creating opportunities at all levels complemented by a proposed high performance program.**

**In 2008, the training sessions were conducted at the Indoor Sports Halls, Olympic Park, Homebush on Tuesday evenings, some Saturdays and Sundays, a total of 35 sessions, over 114 hours with approximately 1054 participating players. Every session we had about 30-40 players attending the training session.**

**In 2008, I had a coaching agreement for NTC (National Training Centre) with TTNSW President, Les Walczuk, that I had attended all National Squad training sessions at PCYC. My task was to entail "specific training" for all National Squad members. The training schedule was in March to November 2008. There were 2 session training times from 12noon-2pm and 4pm-6pm. We had 46 training sessions - 92 hours in total. The training sessions included various technical skills and competition tactics. The training programs were specifically designed and individually tailored, in order to improve their overall skills by 60%. If sufficient times are allowed, their overall improvement will increase to 80%.**

**In 2007, it was proposed to review all the selected players in the NSW State Squads for**

their regular training programs. In order for the players to maintain their NSW State Squads privilege status, they must attend a minimum of 80% of the designated training sessions and have the right attitude and discipline towards regular training.

In 2008, we found that some NSW junior squad players were not disciplined enough to attend the regular training but, we still selected these players to represent the NSW State team for the Australian Junior Open Championship.

In contrast, a lot of sub-junior players and junior players who had attended 85% of the regular training sessions with good discipline and attitude were not given a chance to be selected to represent the NSW State team to compete in the Australian Junior Open Championship.

I hope, in 2009, we will select NSW State team players based on 3 main criteria - firstly, results from NSW Junior Closed Championships. Secondly, results from NSW Open Championships. Thirdly, their regular training sessions should be over 80% with good discipline and attitude plus. In addition, they are potential players and all can have a fair opportunity for selection into NSW State team for Australian Junior Open Championship.

#### NSW Table Tennis Coaching Structure

4. As the NSW Coaching Director, I would like to comment on the above, as the implementer of the NSW coaching structure. I am able to delegate Assistant Coaches for coaching the Junior Development Team. These players provide a useful resource for selecting the Junior Squad. The coaching development for Level 1 and Level 2 Coaches has worked out well in conjunction with the coaching development team to train Junior players. These coaches have, at the same time, benefited as they were provided with ongoing updates for their own coaching knowledge and training skills. Veteran teams and AWD teams were trained accordingly, to improve their skills.
5. NSW Senior and Youth Squad players were combined with NSW State Squad Teams training together. I will consolidate their technical, tactic skills and improve their individual style of playing, in order to groom them into top potential players where they will then go to National Training Centres for the high

6. performance program. Unfortunately, some NSW junior squad players went training directly with National Training Centres, without the process of consolidation and development in their new skills directions. These state players have not completed NSW State training schedules and they were not supposed to be involved in any National Training Centre's sessions. Some of the players did not attend any combined training sessions with the NSW State Squad Team.

*In my view, I believe this confusion should be avoided. As a coaching director, I would like to have a clear NSW State Coaching Director and the National Squad coaching job description. Therefore we can decide whether these coachings can be combined or should be complementing each other or separate, all for the benefit and performance of the NSW State Squad players.*

7. The coaching & training sessions during the years in preparation for the National Junior, Senior/Youth, Veteran Championships and Australian Table tennis Open Championships, were implemented.

## **TOURNAMENT DIRECTOR'S REPORT 2008**

I would like to take this opportunity to thank Leonie Whiteford, Ian Finlay, Tien Quach and Steve Gillespie for all their help during the year and for running the tournaments which I could not attend.

This year I ran or set up 11 tournaments as well as a number of School tournaments. Also this year we had a new tournament called the Western Sydney Open, which was successfully run later in the year. All tournaments ran on time and finished close to the scheduled finishing time.

The player registration system is running smoothly with only a few minor hiccups. This has resulted in entry forms being delivered on time. The only problems occur when players change email addresses which results in their entry forms going astray.

I am looking forward to a very good 2009.

**MICHAEL TURNER**  
2008 Tournament Director

## **UMPIRES' ASSOCIATION REPORT 2008**

Report not received.

## ***"2008 TEDDY BEARS' PICNIC"***

The *Teddy Bears' Picnic* is a fund raising event for the Children's Hospital at Westmead.

Table Tennis NSW was first invited to participate in the 2004 *Teddy Bears' Picnic* which was held at the Super Dome, Homebush. As it was our first appearance at the picnic, we were allocated a 2 hour time slot from 10am till noon with space for a full size and a mini table and was represented by Michelle Beaumont, Wendy Au, Mishu Lim and Andrew Roden.

Since the 2004 Picnic, Table Tennis NSW has received invitations to all subsequent *Teddy Bears' Picnics* which have been held at the Rosehill Racecourse.

Participation and feedback to the organisers of the *Teddy Bears' Picnic* has seen the space allocated increased to accommodate:

- 3 full size tables (2 with robots) and a mini table
- a craft area where people could paint faces on table tennis balls
- a viewing area where people could watch videos of table tennis matches

Representing Table Tennis NSW at the picnic held on the 19<sup>th</sup> October 2008 were Michelle Beaumont, Tam Bui, Cheryl Chong, Kyra & Sylus Fennell, Doug, Megan & Laura Flood, Neil Hanna, Misay & Mishu Lim, Anna Nguyen, Kevin & Allan Pham, Steven & Stephanie Sithakoul, Linda Tran, Les, Lena & Tammy Walczuk.

We were kept extremely busy:

- enabling over 1,000 people to try table tennis
- faces were painted on over 400 table tennis balls
- an estimated 25,000 balls were hit over the 6 hours of the picnic
- answered hundreds of questions about how and where to play table tennis

I have been assured that Table Tennis NSW will be invited to the 2009 Picnic and our representatives have put their hands up to be there.

It is a tiring, but thoroughly enjoyable day and it would not be possible without the support of our tireless representatives, as well as

- Table Tennis NSW for 3 full size tables and banner
- Kogarah RSL for the use of Robbie the Robot
- St George & Sutherland Table Tennis Association for providing the manpower
- Nepean Association for robot, mini table, barriers, computer / 22 inch monitor & table tennis DVD's and banners
- Aussie Table Tennis for posters and support,

A special mention for Doug and Allison Flood who initiated the painting of faces on table tennis balls and they have provided all the equipment for people to use. I know Doug does a lot of preliminary work getting the balls ready for the budding artists. Thanks Doug and Allison.

I would also like to thank the Westmead Hospital for the invitation to participate in the *Teddy Bears' Picnic*.

## ***"2008 VARIETY CLUB CHRISTMAS PARTY"***

A representative of the Variety Club witnessed the table tennis activity at the 2007 *Teddy Bears' Picnic* and invited Table Tennis NSW to participate in the 2007 *Variety Club Christmas Party* to be held at Darling Harbour Conference Centre for 5,000 children from disadvantaged backgrounds.

Doug Flood, Les and Lena Walczuk put their hand up to be involved in the 2007 party and to coordinate and manage 3 table tennis tables (2 with robots) and a queue that comprised more than 20 players for the duration of the party which went from 10am till 2pm.

It turned out to be a rousing success and the Variety Club contacted Table Tennis NSW and extended an invitation to be involved in the 2008 Variety Club Christmas Party.

The party is held on a work day and Doug Flood and I found ourselves managing 3 full size tables (2 with robots) and a mini table.

We were tremendously helped by people who had volunteered to be involved in the party who had, in fact, played table tennis and when they saw our activity, asked to be appointed to our area.

Whilst working with the volunteers I found out that they worked with companies located in the Darling Harbour area and their employers allowed them the time to participate in the party. Thank you to the volunteers and their employers.

We were kept extremely busy:

- enabling over 800 people to try table tennis
- an estimated 16,000 balls were hit over the 4 hours of the party
- answered hundreds of questions about how and where to play table tennis

As with the Teddy Bears' Picnic it is a tiring but thoroughly enjoyable day. The smiles on their faces made the day worthwhile and gave us a new boost of energy.

Again the day would not have been possible without the support of:

- Table Tennis NSW for 3 full size table tables and banner
- Kogarah RSL for the use of Robbie the Robot
- St George & Sutherland Table Tennis Association for providing the manpower
- Nepean Association for robot, mini table, barriers and banners
- Aussie Table Tennis for posters and support.

We were located alongside the main stage and although we did not get the chance to watch many of the acts, we were able to listen to Jimmy Barnes and family, Maria Venuti and many other acts.

The Variety Club presented Table Tennis NSW with a Certificate and said that we should expect an invitation for the 2009 Variety Club Christmas Party

## **SUMMARY OF TABLE TENNIS NSW SUPPORTING THE “*TEDDY BEARS’ PICNIC*” & “*VARIETY CLUB CHRISTMAS PARTY*”**

Table Tennis NSW has participated in five (5) Teddy Bears’ Picnics and two (2) Variety Club Christmas Parties.

Table tennis has been the only sport represented at both charity events and in addition to supporting both the *Teddy Bears’ Picnic* and the *Variety Club Christmas Party*, it has provided us with the opportunity to demonstrate and promote *TABLE TENNIS*.

From a table tennis point of view it was, and is, hard to identify any direct benefits at a state level. However, it has provided an avenue to exhibit skills and equipment for table tennis.

At the Variety Club Christmas Party it was identified that a number of aboriginal children, who had not played before, demonstrated great natural potential.

### **VETERANS REPORT 2008**

2008 was another successful year for the Veterans Association with a highly competitive Teams Competition contested.

We had previously been placed in the position where teams were forfeiting with the result being that the Committee needed to take action to arrest this trend. I am pleased to report that we were successful in this regard with forfeits becoming a rare event.

Our teams to the Australian Veterans Championships in Perth performed well with the major teams results forming part of the Secretary’s Report. My congratulations go to all the participants for the manner in which they represented our State.

I would like to take the opportunity to thank the committee members of our Association for their efforts during 2008. As I was absent for a large percentage of the year the other Committee members stepped up and ran the Association for our members.

Like all Associations we are under resourced with the numbers of Committee members. We would be pleased to accept volunteers to assist us to continue to run the Association as our members expect.

## **SYDNEY UPPER NORTH SHORE ANNUAL REPORT 2008**

### **FAILED ATTEMPT TO START METROPOLITAN LEAGUE IN 2008**

It is with regret that the attempt by the Sydney Upper North Shore (SUNS) Table Tennis Association President to start a Metropolitan League has failed because of lack of interest.

Twelve (12) invitations were sent in November, 2007 to the following affiliated Table Tennis Associations: Bathurst, Central Coast, Hurricane, Illawarra, Newcastle, Nepean, Insurance, Spears Sport, Sutherland, Sydney Northern Districts, Western Sydney and Wah Sing, with copies to Table Tennis New South Wales and Table Tennis Australia.

Four (4) replies were gratefully received with Bathurst, Illawarra and Sydney Northern Districts in favour and Nepean rejecting.

This was a very disappointing result as it was an attempt to promote table tennis on a regional basis by suggesting a 10-12 week competition in the second half of the year, depending on participants, on a home-and-away basis on weekends, initially, for top teams only.

It would open opportunities for sponsorship as well as finally creating a chance to report results in the major papers. If sufficient entries would have been received, a meeting was promised to discuss other issues like, venues; prize money; trophies, expansion to a second division. It was even suggested to extend this initiative to the NSW Country Affiliates and to promote, via Table Tennis Australia, this idea to other states so that, in the end, state champions could play off for a National Title.

Despite the silence and the limited reaction to this proposal, I believe that getting such a competition going is the only way to get away from the limited regional interest pursued by individual associations and promote table tennis as a worthwhile sport to take up by the population in general.

Organised table tennis seems to be centred on the top players with the individual associations left to run things their own way, often in competition with other affiliates.

By working in the future on a proper league set up from the top down, in all areas possible, table tennis will strengthen its position enormously.

We need not only regular meetings between affiliated associations but, also co-ordinated co-operation to bring table tennis to the forefront.

The challenge is – who wants to join this initiative and make it work? I am proposing to put this issue on the agenda for discussion at the Table Tennis NSW Annual General Meeting.

## **SOUTH TWEED SPORTS CLUB REPORT 2008**

2008 was a busy year for our club with three series of team competitions being held on Tuesday nights.

We conducted our own version of State of Origin with two friendly matches with the Gold Coast club in which the honour of NSW was upheld.

In addition we entertained visiting teams from Coffs Harbour and Port Macquarie in a successful social and competitive environment.

Five of our members represented at the Australian Veterans Championships in Perth with one member, Kayoko Govindsamy, being part of a bronze medal team.

Our annual Presentation Dinner was hosted by the South Tweed Heads Sports Club with the normal social occasion celebrations taking place

## **ILLAWARRA DISTRICT REPORT 2008**

The Association, which formed in 1947, has seen 62 seasons of competition and this year was again at an excellent standard, stretching our resources to accommodate all team entries.

We have 90 players participating this year, 80% of those in competitions, whilst the others attend for fun and exercise. The Association operates on Monday and Thursday evenings at the Beaton Park Leisure Centre.

A record number of players from the Illawarra contested the Australian Veterans championships in Perth in October, the largest contingent ever from this area.

One of our members, Guenter Arndt, featured on the new Inventors on the ABC with his Table Tennis Triples invention. Guenter has been around the world promoting his new version of the sport.

In February, we were advised that construction of our Table Tennis Centre would commence in September 2008. We had raised funds over many years and were going 50/50 with Wollongong Council on this project. We were looking to a new era for our Association.

Since that time, Wollongong hit the headlines for all the wrong reasons. Council Aldermen were sacked; Administrators were put in and, as a result, our project was "killed-off". Unfortunately, we can't see any future assistance from Wollongong Council, and with Sport and Recreation's criteria for regional grants, their requirements mean that no amateur sporting group like us will ever achieve any development on our own.

The Association will now have to bide time and see what happens with other organizations building sports facilities in this area that may be suitable. In the meantime, we have purchased 10 new table tennis tables, nets and barriers to provide the optimum playing conditions for our current venue.

## CABARITA BEACH TABLE TENNIS CLUB REPORT 2008

This year has again proven very successful for our juniors. The Wednesday afternoon training has maintained steady numbers with very few players departing from the squad. This consistency of effort has resulted in many players completing a full year of training and this has resulted in a marked improvement by most of the juniors.

We had four juniors represent the club this year at the State Championships, the most for several years. Both Jordan Short and Jackson Kelly travelled to Sydney for their first “big” tournament and gained great experience and impressed many with their efforts. Jordan eventually gained selection in the NSW U/13 B Team and travelled to Adelaide for the National Junior Championships.

Wade and Kane Townsend built upon their past successes and again achieved outstanding results in both senior and junior events at a State, National and International level. The highlight for both boys was their selection in the four man Australian team for the Commonwealth Youth (U/18) Games in India. This was both boys first time being selected in a National multi-sport team.

Kane finished the year being nationally ranked:

- # 1 – U/15
- # 4 – U/18

Kane also represented Australia at World Cadet (U/15) Championships, after winning both the Australian and Oceania sections of the event. At this event in Sweden he defeated both the #2 and #4 European players. He was a member of the Australian U/18 team which won the gold medal at the Oceania Championships and he represented Australia at the World Junior Circuit event in Tahiti.

Wade performed very consistently and concluded the year being nationally ranked:

- # 3 – U/18
- # 3 – U/21

At the Olympic qualifying event in Adelaide, Wade won his way through to the last eight round robin section of the tournament.

Wade was also a member of the Australian U/18 team which won the Oceania U/18 teams Title and was selected to represent Australia, for the third time, at the World Junior Championships, held in Spain in December. He backed this up by being a member of the Australia B Men’s team which defeated both New Zealand and Australia A to win the Open Men’s team title.

Wade also represented Australian at the World Junior Circuit event in Tahiti.

On a development level the club has conducted Table Tennis sessions regularly in four local primary schools and also the local high school have attended for School Sport for

two terms. Our involvement with the Active After-School Communities program run in conjunction with the Australian Sports Commission has continued to strengthen with our deliverer, Cathy Townsend, being twice invited to speak at State Conventions to discuss her work with Table Tennis in our local area and throughout the state.

We have been running a rotating doubles competition on Saturday afternoons over the past 6 weeks which has been very successful in attracting new members.

We are travelling to Goonellabah later in the month to participate in a three-way challenge match between Cabarita Beach, Coffs Harbour and Lismore.

In competitions our club had state representatives at Junior, Senior and Veteran levels. In Veterans Bill Sherwood, Elspeth Sherwood and Kayoko Govindasamy represented NSW at the National Veteran Championships, with Kayoko being awarded an Order of Merit. Another of our members Stan Bierzynski represented Queensland. Kayoko is now ranked number 6 in the over 40's women and Elspeth number 7 in the over 60's.

Congratulations to all our players on their achievements over the year, also a big 'Thank You' to the committee and coaches for all their help during the year.

## SCHOOLS REPORT 2008

### STATE TEAM JUNIORS

2008 was a hard working year for our NSW junior players yet, they achieved marvelous results from the Adelaide Nationals. Congratulations!

I am sure the general results from the Adelaide National will be listed in other reports so, as a consequence, I will only include the teams with which I was in charge and/or associated:

Girls U13 — 5 teams participated NSW Team A 1 <sup>st</sup> NSW Team B 3 <sup>rd</sup>	Boys U13 — 10 teams participated NSW Team A 3 <sup>rd</sup> NSW Team B 7 <sup>th</sup>
Girls U15—5 teams participated NSW Team 4 <sup>th</sup>	Boys U15 — 10 teams participated NSW Team 2 <sup>nd</sup>

NSW provided very good overall management at the Nationals. Many thanks to Tien and all the appointed coaches for each team, to the parents who continually supported their children and also the volunteer parent drivers. There was a good organizing, supportive environment within our NSW Team.

Participation in the National games offered our players and coaches a chance to meet others and provided a great way to measure how much we had achieved in a year.

From a coaches' point of view, I have noticed our players need to work hard on the following areas:

- Consolidate their basic technical skills and enhance their combined techniques
- Improve their skills in ball spins, speed, power and quality
- Improve their tournament specific tactics
- Improve their mental and psychological power

### NSW SCHOOLS TOURNAMENTS

There were regular tournaments run for average schools children, mainly organized by Ian Finlay, supported by TTNSW officials. Events included:

- Primary School teams, Boy's singles championship Girls singles championship
- Secondary School teams, Boy's singles championship Girls singles championship

From my observation we have large numbers participating in all the schools events. Although they are very passionate about table tennis most of them tend to play just to have fun. They are hoping to win something ...but don't have enough technical skills to do so. Not surprisingly, all the top 3 winners were the serious players who were trained regularly by TTNSW.

The School events indicate that there is a lot of promotional work to be done in the local schools in order to popularise table tennis.

In conclusion, I look forward to doing even better for TTNSW in 2009.

Re: Fees for Pennant Players

At our last Committee Meeting, we received a submission concerning TTNSW fees, Indications were made that our largest Club, Wenty Leagues Club is considering withdrawing from Table Tennis Western Sydney inc. Competitions due to the level of TTNSW Fees.

Concerns were raised at the level of fees for Non Tournament playing Pennant players. Discussions at our Meeting resulted in a motion being passed instructing me to forward this letter.

TTWS requests that fees for non Tournament playing Pennant players be reduced to 50% of current level. Consideration should be given to this request, considering the current financial Downturn causing hardship (especially in the socio-economical challenged Suburbs of Western Sydney.)

There is also a perception of paying 'Money for nothing' amongst non Tournament playing Pennant Players, whom can not see any value in being affiliated with TTNSW.

After the recent collapse of several T.T. Clubs in our District, the committee of TTWS can not Ignore the concerns raised, at the risk of losing another (our districts largest) Club from our Competitions.

We hope TTNSW gives this request due consideration, as ignoring these concerns can only lead to a further erosion of Members & Competitions in our Sport of Table Tennis.

Respectfully

Heinz Hellwig  
Secretary  
Table Tennis Western Sydney Inc.
