PRESIDENT'S REPORT 2006

To all concerned,

My first year as President has been a challenging with constant flow of information, new tasks to get involved with, getting to know city and country players and officials as well as dealing with TTA and Project Connect delegates. The NSW Board Members have provided great assistance, not only to me, but also the table tennis players and associations, without them my task would be daunting, thank you all.

The rewards have been few and more work needs to be done. Our table tennis player numbers are steadily growing with this year a small increase of sixty eight new players of which twelve were registered as athletes with disabilities. The number of affiliated Associations remain the same, however, it is noted that Central Coast T.T. Assn. have joined for the first time.

One of my goals is to appoint a permanent director to focus at player numbers and Associations to build up our base and promote TTNSW to the general public. This person will also be dedicated to develop and maintain a data base to enable verification of player contact details, which currently has not reached a satisfactory standard. At the 2007 AGM, I feel this position will be officially filled.

Another goal is the setting up of AWD events to encourage and develop a base of players that currently is not being sufficiently addressed. Currently there are many activities occurring behind the scene which is managed by Beryl Davies and her volunteers. See AWD directors report, it will enlighten. Please note that TTNSW needs more helpers to encourage growth in this area and also bring joy and self confidence to disadvantaged people which number in the thousands. Keep up the good work Beryl.

Our Administration Office for the past two years has gone through many staff changes and only recently moved to Homebush. This integral infrastructure of TTNSW is being managed by two staff on a part time bases and back up provided by the effervescent secretary Leonie Whiteford. Thanks to all concerned for your efforts, however, this situation can no longer continue due to a demanding schedule of commitments. We are certain that before the 2007 AGM the Administration role will be administered by one dedicated person on a four days a week service.

Our financial report shows that our financial situation is improving, however, new cost have occurred this year (2006) due to need to purchase more State shirts and tracksuits for our representative players. Phil Males, for several years has maintained a standard reconciliation which has been evolving to allow more transparency in our earnings and expenses so that we can examine areas that may need special attention. Thanks Phil and trust your service will continue.

We are focused in chasing various departments of the local and State Government for grants to finance all our activities. Dennis O'Brien volunteered his service in 2006. We hope to resource in the near future a team of people to be dedicated in not only increasing our cash flow but also provide creative ideas and initiatives, that will enhance our standing in the community.

I take this opportunity to give a special thank you to several volunteers that give up their time (which could run into several hours) to assist in the running of championship events, they are Tien Quach, Ian Finlay and Leonie Whiteford, Also for the AWD events they are John Younie, Sandra and Ronald Lynch. If I have failed to mention names of other volunteers please accept my gratitude for your service.

I am confident that in 2007, TTNSW will continue to improve service to members via the goals as detailed above.

In closing, I would like to thank our major sponsors NSW Department of Sport Tourism and Recreation and STIGA through Combined Sports Traders for their ongoing support through out 2006.

Tournament Director's Report - 2006

I would like to take this opportunity to thank Leonie Whiteford, Ian Finley, Tien Quach and Steve Gillespie for all their help during the year and for running the tournaments that I could not attend.

This year a new innovation was introduced. No late entries were accepted after the draws had been produced. The players appear to have accepted this although numbers were down compared to previous years. However the three tournaments held in 2007 have been the largest, in terms of numbers, that I have run since becoming the tournament director. This indicates that players have accepted the innovation and are enjoying playing in a well run tournament.

The only problems this year have been the occasional computer glitch but when this has happened the tournament still proceeds smoothly due to using a combination of computer and paper to run the tournaments.

I am looking forward to a very good 2007. If the start of this year is any indication then table tennis in NSW has a very bright future.

Michael Turner
2006 Tournament Director

NSW Umpire's Association Report - 2006

Disability Director's Report - 2006

As director of table tennis NSW disabilities I take this opportunity to wish you all joy and prosperity in the year 2007. Thank you to the volunteers who have supported and contributed to our success in 2006. I hope you continue to support athletes with a disability.

Table Tennis Australia conducted the Australian athletes with disabilities championships in Adelaide 2006. Congratulations to all athletes who represented NSW. I wish you all continued success in the year 2007.

Unfortunately due to diminished funding from Mental Health we are now unable to use the Addison Rd Centre Marrickville on a weekly basis. However, we did conduct a tournament followed by a sausage sizzle at the YMCA Greenacre and hope to run another tournament in March or April again at Greenacre.

Juniors:

Over the past year the boys and girls from Liverpool whom I have been closely working with have come along in leaps and bounds. I have recently started with a group from Bankstown. The outcome at this stage looks positive.

Pilot Program Undertaken:

Metropolitan team Pennant commenced the 7th of March 2006. Matches consisted of two singles and one doubles. The main aim of this competition was to socialize and have fun. Calendar updated to include athletes with a disability events at local, state and national tournaments.

Challenge Round for Athletes with a Disability at Albury Wodonga, NSW vs. VIC. This had to be cancelled due to a lack of support from Victoria. The format was for disabled participants, to be a mixture of wheelchair, amputees, as well as standing disabled and deaf players. Ages ranged from 19 – 60 plus. A lot of planning was put into this by Table Tennis New South Wales. We are confident this event will run again in 2007.

The Sydney Paralympic Talent Search held at the Catholic University Strathfield, Beaton Park Wollongong, NSW Institute of Sport Sydney Olympic Park, Wagga Wagga and Woy Woy, of which Table Tennis New South Wales was represented as a talent spotter. We picked up some young talent and are currently working with them.

In conjunction with Ausrapit and New South Wales Association of Disability Sport conducted a meeting to discuss sport and recreation opportunities for people with an intellectual disability in NSW. Pathways for local and international competition. This meeting was conducted on the 2/11/06 by Robyn Smith, Chief Executive Officer of Ausrapit Inc. We await a positive outcome.

National Plan for Athletes with a disability workshop conducted by the Australian Sports Commission. Provisions and opportunities for people with disabilities to participate in sport at all levels. During the process the ASC received over 140 submissions and about 255 people attended workshops nationwide. The reference group concluded its work in September 2006. In August 2006 the Australian Paralympic Committee established a taskforce to evaluate the current structures, pathways and programs in paralympic sport within Australia. The general consensus of the meeting was to contribute money to the grass roots of disabled sport. The taskforce report was concluded in August 2006. The National Plan for Paralympic Sport and Sport for People with a Disability was approved by the ASC board on November 30 2006. Subsequently the plan was then

sent to the Minister for the Arts and Sports for consideration by the Australian Government. We are now waiting on the 2007 Federal Budget to determine what the grants shall be.

I will not be standing for re-election for the position of the director Table Tennis New South Wales Disability Services. I take this opportunity to thank all who have supported and helped me since obtaining this position a few years ago. I am more than willing to assist the new director and continue to work for the good of disabled sport.

Director of Table Tennis New South Wales Disability Services

Veteran's Table Tennis Report 2006

It is with great pleasure that I present the 2006 report for our Association.

Our competition at Homebush, which is held approximately once a month, continues to attract a high level of competition and incorporates five grades ranging from beginners to high level performers.

The benefits of this competition are now becoming apparent in the results achieved by our teams at the annual Australian Veterans Championships.

It is important that we continue to provide the competition and expand on the current playing strength. For this reason we need to work more closely with the Affiliated Associations of Table Tennis NSW to allow us to achieve this aim.

Two major Veterans events occurred this year in which members of our Association were prominent.

1. The World Veterans Championships were held in Bremen, Germany, with a significant number of our players joining a tour organised by Paul Pinkewich which allowed them to perform well at the Championships.
The star of the show was Dot De Low, who at age 95, was the oldest competitor at the Championships and was very much in demand for media appearances on local radio etc. In fact she was also approached by the American television shows by both David Letterman and Jay Leno to appear on their shows. Dot's personality is such that NSW Table Tennis should be using her more fully in promoting our game
2. The annual Australian Veterans Championships were held in Hobart with our Association represented in all age groups. Our Over 40 Men's Team and our Over 60 Men's Team both were successful in winning their age groups. Individual winners included Wei Deng in the Over 40 Women's Singles, Paul Pinkewich in the Over 50 Men's Singles and Inh van Le in the Over 60 Men's singles.

The Association was once again run by a committed group of individuals whose work in this regard should not go unnoticed. However, like any Committee, we need new members to join the organisers to allow us fresh ideas.

We look forward to further successes in 2007 and would like to welcome any players who would like to join our competition
