PRESIDENT'S REPORT

I would like to start this report by thanking all of the Affiliated Clubs/Associations and members for their support in the position taken by the Directors of Table Tennis NSW and myself in regards to the old Board of Table Tennis Australia.

At a Special Meeting on 29 April 2000, held to discuss "The not of good standing" claim by Table Tennis Australia charged against Table Tennis NSW, I was very pleased to welcome the seventeen loyal members of this body who gave their full support in the stand taken by the TTNSW Board. Not only were we successful in overturning the proposed drastic increase in levy payments but also the resignation of the entire Board of Table Tennis Australia and their Chief Executive Officer on 12 May 2000.

I would like to thank the Board members for their efforts on your behalf for the year 2000. I would like to thank Ron Pickering for all the work he has done behind the scenes. Thank you to our sponsors who have supported Table Tennis this year - Civic Video, Tip Top Bakeries and of course our major sponsor, NSW Sport & Recreation, for their on-going encouragement and support I look forward to a continuation next year.

The Board of TTNSW has employed Genna Raber as Part -Time Coaching/ Development Officer. I'm sure as an elite player himself, that he is aware of what is needed in NSW to help the game grow. Coaching can be arranged for all Clubs and Associations. Contact the TTNSW Office, 9660 0710 to make arrangements for this to happen. It is planned for more training sessions for both elite and non elite players next year. Genna's services will be offered to more schools too, to try to lift our player base.

This year I have received a number of phone calls to my home in regards to players not receiving entry forms for tournaments. On checking, I have found that a lot of players have paid their Registration money to their local Association or Club, but these monies had not been forwarded to TTNSW Office, in some cases up to six months later. Under the law, all registration money plus GST is to be shown on the books of TTNSW for audit every year. I am aware that some Clubs/Associations do not register all of their players, this is not fair to the players that do. Also, if a Club or Association fails to send to TTNSW Office the names and addresses of all of their members, then the players insurance cover is null and void.

As a player, if you want to register with TTNSW direct, and avoid the possibility of your registration being held up, you can. A card/receipt will be posted to your home address.

This year a number of our Junior and Youth teams have tasted success. The Under 20 Mens Team winning bronze, both the Under 14 Girls and Boys teams winning gold and the Under 16 Boys winning silver. It is a credit to those young players who put their names forward and do their state proud. As President, fellow player and parent, I am very proud of each and every young player in this state. I am sure with our help they will achieve greater goals in the future.

In the coming year we need more players, both Seniors and Juniors, to make our state even stronger on the National Stage. At the moment the Veterans are fine, but we need to develop players for the future.

I congratulate Leonie Whiteford for her effort in starting a Women's Team Competition. This is a wonderful start, but this competition seems to cater for what I would term "the social player". Now this is fine, because as a sport we must cater for the widest range of interest for our members. But Table Tennis NSW desperately needs dedicated women who will be competitive at the National level. They need to be developed from NSW residents, and not imported from overseas as has been the case in the past. Where are the women players of the calibre of Joy Boyd (nee Brown) or Andrea Campbell now. NSW has not been able to enter a Women's team in the National Championships since 1996. **This must change.** If you have any suggestions I would like to hear from you.

The Veterans staged a very successful National Championships from 18 to 25 November, at Minto. Beryl Davies will have a comprehensive report on this event

On 8 December, Ken Cole, Leonie Whiteford, Tony Aduckiewicz and I met with Jackie Kelly, the Federal Sports Minister. At the meeting we discussed Table Tennis in NSW currently, and where it is going in the future. I asked for help from the Australian Sports Commission and NSW Sport & Recreation in getting a playing venue for the future. The minister showed genuine interest and concern with our aim to have a permanent playing headquarters in Sydney, but unfortunately stated that the Federal Government does not have any facilities building programs. She did however offer a few other alternatives, which the TTNSW Board will follow.

I would appreciate at least one member from each affiliated Club and Association attend the A G M so that your members can have a say in the running of TTNSW.

REMEMBER:- So much to do - so few to help out - get involved.

ADMINISTRATION OFFICER'S REPORT

Members, it gives me pleasure to present my fifth report as Administration Officer (Part Time 2 days a week) for Table Tennis NSW Inc. The past twelve months have been very busy. I am finding that I have to spend extra unpaid days, in addition to my one day a week gratis, in the office in order to get the work done. This last sentence appears to be repeated year after year, but it is a fact.

Traditionally reports such as this open with the positive outcomes achieved over the past year, and this will not be an exception. However, it will also include some negative observations. Observations that are not intended as criticism, but rather to stimulate corrections to perceived problems.

Tournaments

Last year I urged greater participation by members in tournaments. Pointing out that apart from an enjoyable playing experience they are an ideal source of much needed finance for Table Tennis NSW Inc. Consider this: excluding Registrations and Government Grants, tournaments are our next major source of income. Board members Leonie Whiteford and Gillian Hutchinson, both of whom have a considerable workload with their elected positions, did their best to stage tournaments during 2000. Plans are in train to have a Director dedicated to running tournaments appointed in 2001. It is expected that this person would be able to devote more time to each tournament, thus improving its conduct and presentation. I urge all members to support the appointment of a Tournament Director.

General administration

A great deal of my time in February 2000 was taken up working with Jeffery Slatter and Brian Spencer, from the Sports Management Advisory Service of NSW Sport & Recreation. Together we identified some critical areas of concern which were put to attendees at the "Table Tennis Beyond 2000 Workshop", which was held at Sports House, Ultimo.

Nine Table Tennis enthusiasts along with Jeffery Slatter, (who facilitated the workshop) and myself took part and four main areas of concern were given priority. These were:- Finance and Marketing.

Facilities

Participation

Constitution and Governance.

At the conclusion of the "Workshop" four project teams were formed and subsequently project briefs were distributed to team members. It is my understanding that only the Facilities and Participation teams have met, which is disappointing.

Where to play Table Tennis guide

The "Where to play Table Tennis guide" has once again proved its worth. I receive on average three to four telephone calls a day, a number which doubled during the Olympic and Paralympic Games period, from the public asking where they can play in their area. Constant up-dating of the information has to be done to make sure the content is correct and current. Once again we received funding from NSW Sport & Recreation for this project.

Table Tennis Australia.

At the beginning of 2000 all States were made aware of some of the financial difficulties and resultant financial impositions of Table Tennis Australia.

Along with all other States and one Territory, the Directors of TTNSW, with the backing of our members, took steps to have the Board of Table Tennis Australia stood down. This started an unpleasant dispute with the former Board of Table Tennis Australia and its Chief Executive Officer during the first months of 2000. This had a dramatic disruptive effect on Table Tennis NSW, particularly the handling of large amounts of correspondence. This took up a large amount of my time, which impacted on the efficient day to day operation of the office. For a considerable time duplicate correspondence from Table Tennis Australia, through their lawyers was sent to NSW Sport & Recreation which caused me to attend several meetings with NSW Sport & Recreation officers in order to give them the TTNSW stand on the various matters.

Thankfully the former Board of Table Tennis Australia resigned on 12 May 2000.

We now look forward to a better future with the new National body.

Bad Debts

I am pleased to report that I have successfully negotiated a settlement to the debt owed by The Korean Table Tennis Club of \$1825.

During discussions with John Lee, a representative of The Korean Table Tennis Club, several dates of hall hire were disputed by him. and it became apparent that he would not concede. Even though I believe that my invoicing was correct I decided that TTNSW should accept the lesser amount of \$1240, rather than risk no payment at all. Given that I twice attended Sutherland Court in respect of the Korean Club debt. Firstly at a meeting with the Small Claims Clerk on 2 August 2000, and the second with the Chamber Magistrate on 1 September 2000. After reviewing our evidence the Chamber Magistrate advised that unless the debt was owed by an Individual, a Company or an Incorporated Body (which it is not) there was little chance of TTNSW succeeding with any claim. In fact TTNSW would face court charges if unsuccessful.

We have agreed that he (John Lee) will be responsible to make four payments of \$310 by the last business day of January, February, March and April 2001. I have already received the January payment.

Unfortunately I have been unable to recover the debt by Chi Nguyen of \$586.25.

I believe that there is little chance of discovering the location of Chi Nguyen despite several phone calls to possible contacts including her former coach, former club or members of her ethnic community.

Regretfully I recommend that the Chi Nguyen debt be written off.

Although not directly listed as a bad debt in last years Annual Report, the 1999 debt of \$7,128.00 by former Coaching/Development Officer, Peter Masen is still an ongoing concern. The debt was incurred by his failure to match grant money, dollar for dollar, for his wages as per the conditions of his contract. Readers of TTNSW Council Minutes will realise that the Council has made a generous offer for Peter to

rid himself of this debt. However, at the time of writing there has been no indication of his acceptance of the offer.

Equipment Sales

Once again the sale of Table Tennis equipment has been an important part of my duties. We receive funding from NSW Sport & Recreation for this project. It provides a service to all members and a small profit for Table Tennis NSW. (See Finance)

Registrations

The number of registered players continues to be of great concern with a decline in membership since 1997. The NSW registrations since 1997 are:-

1997	1998	1999	2000
733	640	562	548

Last year I listed six Affiliated Clubs/Associations whose registration numbers were of the greatest concern. I list them again this year with their 2000 registration numbers given, for your information.

Affiliated Club/Association	1999	2000
Australian Chinese Descendants Mutual Association	Nil	Nil
Armidale	1	13
Coffs Harbour Over 50's	4	2
Far North Coast	Nil	Nil
Wah Sing Academy	1	20

It is pleasing to note that both Armidale and Wah Sing have recorded an increase.

In addition Leonie Whiteford is having massive computer problems since taking over as Registration Officer from Phil Males and she is still trying to overcome them.

LOOP

Three editions of our newsletter **LOOP** were produced during 2000, and posted to members in April, July and November. Once again I would like to thank all of the contributors of articles published, they made interesting and varied reading. Also thank you to the various advertisers, I hope that you received value for money.

NSW Sport & Recreation Involvement

NSW Sport & Recreation continue to be our main source of income. It is pleasing to report that we have successfully applied for a record \$38,500 including GST grant to run four programs in the 2000/01 period. The amounts detailed below are exclusive of GST and are the actual amounts that can be spent.

The four funded programs are:-

A) Newsletter, Venue Guide, Administration and Marketing.	\$12,500
B) School Development	\$11,000
C) Club Development	\$8,000
D) Squad Training	\$4,000

Country Athlete Scheme applications are now negotiated directly with NSW Sport & Recreation. TTNSW is only involved to give applications a priority rating.

My involvement with NSW Sport & Recreation continues to be at a high level. With several formal and informal meetings taking place during 2000. I have already commented on the "Table Tennis Beyond 2000" Seminar, and the dispute with Table Tennis Australia, elsewhere in this report..

On 3 July 2000, legislation was passed by the NSW Parliament dealing with the Protection of Children. I attended a half day seminar conducted by NSW Sport & Recreation, on the Law's impact on sport.

To summarise:-

The Act prohibits any person found guilty of committing certain serious sex offences from working in child-related employment. The Act makes it mandatory to screen preferred applicants for paid primary child-related employment, (Genna Raber our State Coach, was successfully processed).

Paid employees have to complete various forms detailing personal information about themselves, and give permission for Police checks on them to be carried out.

At the moment the Act only applies to new paid employees, however it is my understanding that all paid workers and volunteers will be required to be processed some time in 2001. Volunteers would include Coaches, Managers, Chaperones, Competition Organisers etc. I anticipate that my workload will increase in this area during 2001 as a consequence.

Financial

I opened the financial section of my report last year with the following :- I am sure that you have heard the expression "We must be more professional". This statement needs to be repeated again in this report.

Unfortunately the transition from Theo Morsink (Financial Director 1999) to Radko Zaloudek (Financial Director 2000) was not a smooth one. In addition the GST was introduced in mid year followed by the Business Activity Statement in October 2000. We do need to be more professional and business-like in our thinking, thus avoiding the financial difficulties experienced by Table Tennis Australia.

Table Tennis NSW is still struggling to meet its financial obligations on an ongoing basis. While I hope that this will never happen, what would we do if NSW Sport & Recreation funding should cease? I doubt that we could operate.

At the "Beyond 2000 Workshop" a need was identified to review of all sources of income. Although a Project Team was established, no recommendations were made. I understand that two members of the nominated team resigned within days of its formation, and replacements were not found.

Conclusion

I think that my efforts in the office continue to provide an important link between Table Tennis NSW programs, NSW Sport & Recreation and the general public. With some changes to the way we do business there is no reason why Table Tennis can't grow and take advantage of the Olympics in Sydney. This conclusion is the same as last year because it is still very relevant.

Ron Pickering

NSW VETERANS ASSOCIATION

As President over the past six years it is pleasing to report that with an effective Committee we have seen changes for the better. Through negotiation we gained Atlantas Travel as our major sponsor.

The year 2000 was a big year. Firstly we had the Olympics and Paralympic games, with many Veterans donating their time as volunteers.

Then followed the Australian Veterans Championship, held at Centennial Stadium, Minto, which attracted 228 players and 63 teams playing on 20 tables spread over 4 basketball courts. The Championships were jointly opened by The Hon. Ms Fay Lo Po, Minister for Community Services, Minister for Disability Services, Minister for Ageing and Minister for Women and Jim Kremmer, Mayor of the City of Campbelltown.

Thanks to the Committee for its dedication and long hours of hard work which enabled NSW to show everyone what can be achieved. Many of the Committee worked on all three events.

Congratulations to all the medal winners at the Championships. To the losing players, remember, you were the very important players for without you there can not be winners. Also congratulations to all our members who were selected to represent NSW.

Congratulations to all the winning teams in the Teams Challenge, which was successfully conducted over 5 grades.

The game of Table Tennis gained widespread coverage during the Olympic, Paralympic and Australian Veteran Championships. Now is the opportunity for members to promote and gain new members for our competitions. Don't let this opportunity pass us by.

The Christmas fun day with lunch, held at Broadway, was again a wonderful day with lots of laughs. Wayne Heginbotham played an excellent part of an anorexic Santa.

I will not be standing for the position of President in 2001. I would like to think that my period in office has been productive and beneficial for the Association. My thanks to the Committee members with whom I have served with over the past six years, especially the Committee of 2000 for its collective effort, enthusiasm and dedication in organising the Australian Championships. It was a pleasure working with you as you all gave your best.

Thanks also to Noel Shorted for his help during my term as President.

In conclusion I would like to wish all the new Committee members and players in the year 2001 every success.

SCHOOL REPORT - 2000

Not only did the Sydney Olympics provide interruption to normal schedules but the Teacher's Industrial Action this year had an effect on our competitions causing me to cancel the Category 11 Boys Shield Championship. One school had entered Category 11 the day before, one the day that it was cancelled. Other schools had to reluctantly withdraw from the competition because of pressure from fellow members of staff. (They are the ones who have to take extra periods to cover for the teachers taking sporting groups). All competitions were held at the Peter Forsyth Auditorium, Glebe.

CATEGORY 1 BOYS SHIELD CHAMPIONSHIP - Teams of 4, held 17th MAY

Fifteen teams from five Schools entered. Fairvale High entered for the first time while Sydney Boys High (who won the first National competition held in 1988) entered a group of inexperienced but very keen team. So we had experienced and novice players competing against each other. The championships were hotly contested by the advanced players and in the early rounds it was difficult to picture who would eventual win. In the final the senior team from St John's Park High School was defeated by the Canley Vale High School team of Hoa Nguyen, Bobby Phung Mishu and Misay Lim in a thrilling match. These boys are members of our State Junior Squad and the experience they have been receiving from the Saturday competition is really developing their competitive skills.

Semi-final St John's Park 1 defeated Canley Vale 2
 Canley Vale 1 defeated St. John's Park 2

The score of seven rubbers to three didn't show how close the competition was. Four of the rubbers went to three games which could have gone either way with the scores, 26/24, 23/21, 22/20, and 21/23

WINNER: Canley Vale High School 1
RUNNER UP: St. John's Park High School 1

CATEGORY 11 BOYS SHIELD Teams of 4. CANCELLED.

PRIMARY SCHOOLS SHIELD -Held Tuesday, 9th MAY.

Teams of 3 Boys or Girls or Mixed. Thirteen teams from five different schools participated.

Of the five primary schools which competed two were from the country- Gulgong Public School and All Hallows Primary School (coming for the first time). Other Schools competing for the first time were Condell Park Christian School, with State Juniors, Keith and Yee Kwan Wong playing for them and St. Ives Public School who had sent two girls to play earlier in the year to represent them in the Primary Schoolgirls individual championship. Here again State Juniors won honours for their school Yee Kwan with younger brother Kelth, played strongly and together with Jonathan Mannah, beat Gulgong Public and then a very determined Haberfield Public School team which included Angie Elakis and Austin Lee (also State Juniors) Kelvin Qui was the third member of the team.

WINNER: CONDELL PARK CHRISTIAN SCHOOL 1 5 rubbers to 2
RUNNER UP: HABERFIELD PUBLIC SCHOOL 1

Yee Kwan Wong was outstanding, for not only did she win the Primary Schoolgirls Individual Championship but she was the only girl playing in the final, proving at this age that girls can be equally skilled as boys in Table Tennis

PRIMARY GIRLS INDIVIDUAL CHAMPIONSHIP Held 15 March

Yee Kwan Wong and Melissa Penn showed great promise in this competition.

Winner: Yee Kwan Wong Condell Park High Christian School
Runner/up: Melissa Penn St Ives Public School

SECONDARY SCHOOLGIRLS CHALLENGE teams of two Held 10 May

Twenty six teams from four schools played in this competition. Here again Vivian Yung of James Ruse Agricultural High School proved that girls can play as well as boys or even better, when she and Andrew Chak took the secondary Schools Challenge from the very skilled boys of Canley Vale High School - Hoa Nguyen and Mishu Lim. Vivian and Andrew are also State Juniors.

Winner James Ruse Agricultural High School 1
Runner/up Canley Vale High School 1

CATEGORY 1 GIRLS SHIELD / CATEGORY 11 GIRLS SHIELD CHAMPIONSHIP Held 15 March

As James Ruse Agricultural High was the only school entered in Category 11 section they were given the opportunity of playing in the Category 1 Girls Competition which was being held on the same day. They easily outplayed the other teams including the winner of the Category 1 section, so deserved to receive the Category 11 Shield. This left the stage for old rivals, Birrong Girls (1999 winners) and Wiley Park Girls (1999 runners/up) to battle it out.

It was a surprising victory for Wiley Park who won 6 rubbers to 2. In 1999 the opposite had taken place. Birron had won by a countdown on points to decide the winner, by the smallest of margins.

Eight teams from eight schools competed in the category 1 Championship, only three of which had participated before - Sefton, Birrong Girls and Wiley Park Girls. Beverly Hills Girls, Engadine, James Ruse Agricultural, Macarthur Girls and St. John's Park fielded teams for the first time.

CATEGORY 1 GIRLS SHIELD

Winner Wiley Park Girls High School 6 rubbers to 1
Runner/up Birrong Girls High School

CATEGORY 11 GIRLS SHIELD

Winner James Ruse Agricultural High School

SECONDARY SCHOOLGIRLS CHAMPIONSHIP The Category 1 Championship and Secondary Schoolgirls Challenge were held concurrently with the top team in each school playing in the four member team event and the less experienced players playing in the Secondary Schoolgirls teams of two competition. There were seventy four girls competing which was extraordinary as two years previously there were only two schools involved, Sefton and Hornsby Girls High. This year it was almost too much for the hall. The Secondary Schoolgirls competition was not finalised. Unfortunately the schools were not able to play later in the year as they had students studying for the H. S. C. in their teams

To many of the girls it was not only an introduction to Table Tennis but also to competition.

Totals High School Boys - 87 Girls - 74
Primary School Boys - 29 Girls - 13

Gillian Hutchinson

WOMEN'S REPORT

Only one Women' Grade Competition was held in 2000, on 22/3/00 at Kogarah RSL Club. Three others were to be organised but negotiations broke down for one to be held at Manly in June and for the rest of the year, the Olympics, Paralympics, Australian Veterans Championships and Christmas made it impossible to organise another competition for 2000. It will be much easier to start 2001 with a competition at Manly RSL Club in March and then conduct a competition in June at Kogarah RSL Club.

Three round robin matches were played on 22 March at Kogarah, 2 B Grade and 1 C Grade.

Shirley Smith, who was the winner of the first round robin, then played Davina Sutton from the second to become the B Grade Winner and Sue Earl was the C Grade Winner, with Phillipa Bolton the runner-up.

There was time for a Doubles Competition, so the weakest players were paired with the strongest from the results of the singles.

Winners Dot DeLow/Gillian Hutchinson
Runners-up Sue Earl/Mary Bailey

Income	\$60.00
Trophies	\$22.00
Gift	\$6.00

Trophies were presented to the two singles winners and after a small gift was presented to Ed Nash for his help with the organisation at Kogarah RSL Club a profit of \$32.00 was made

COACHING DIRECTOR'S REPORT

This report covers the period: October - December 2000

There have been 2 main areas of coaching carried out, they are as follows:

1. School coaching: I attended 2 schools in the 3 months of coaching:

* North Sydney Girls High School:

There were approximately 20 Year 8 students 13-14 years old. These girls had found their own groups of playing partners and 90% of the group showed signs of enthusiasm throughout the whole term. The main problem with teaching these girls was that they only do this sport for one term and the next term they change sports.

North Sydney Girls High School have requested coaching 2 times per week for terms 1 and 4 for year 2001.

* Haberfield Primary School:

There were approximately 27 students ranging from 10-12 years old. Approximately 21 boys and 6 girls. They were divided into 3 groups; top/medium/beginners.

Every student showed great enthusiasm throughout the term. Unfortunately the top group players will be entering into high school next year, hopefully they will pursue their table tennis skills.

The medium and beginners group showed real improvement since day 1 of playing table tennis. Both these groups will be returning to play in 2001.

2. State training:

There were 5 training sessions made available to players in the 3 months of coaching. The attendance to the first and third sessions was adequate, but the remaining 3 sessions there was a poor turnout. Considering this period was off season to many players the turnout was as expected.

The players which had attended had varied in age and standard. But all showed signs of potential to improve in the year 2001.

In regards to school coaching for year 2001 we anticipate the following schools will take part in table tennis coaching:

- * North Sydney Girls High School
- * Haberfield Primary School
- * Masada Primary School

In regards to State squad coaching for the year 2001 we have set up a intense training schedule for u20/u18/u16/u14 boys and girls squads in preparation for the Australian Junior Championships to be held in Minto.

Genna Raber

NSW Table Tennis Umpires' Association

The year 2000 was a big and exciting year for our association with the holding in Sydney of the Olympic and Paralympic Games, along with their respective test events, the ITTF Pro Tour Finals and the Southern Cross Multi Disability Games

The success of these events is now legendary and we are proud of the involvement of our members: Phil Males (referee) and Ian Finlay (umpire) at the Olympics, and Steven Lee (referee) and Iraj Amirafshar, Cliff Bradley, Peter Lazell, Ali Onal, Carol Poole & Maurie Poole (umpires) at the Paralympics.

Maurie Poole was an umpire at the 2000 Oceania Championships in New Caledonia while Ian Finlay (referee) and Maurie Poole (deputy referee) also carried the NSW flag on the national scene at the 2000 Australian Veterans' Open.

Already Steven Lee has received appointments as Deputy Referee for both the ITTF Pro Tour Finals and the 2001 World Championships in Japan in 2001.

On the local scene, we provided referees as requested for NSW tournaments with Ian Finlay carrying the lion's share.

Planning is proceeding for the conduct of another umpire's seminar and examination early in 2001 and further initiatives are being investigated to try to capitalise on the momentum generated by the year 2000. It is hoped that these will come to fruition during the coming months.

The association looks forward to another successful, year in 2001.

Tours

The reciprocal tours between NSW and Victorian Country Table Tennis Associations were postponed until 2001 due to the involvement of table tennis participants at the Sydney Olympics and Paralympic Games.

2001 Country Invitational Championships

The Championships will be played over the Queens Birthday Weekend from the 9th to the 11th June 2001 at:

The Centennial Stadium, 9 Redfern Street, Minto

2000 City versus Country

City broke a four-year run (1996, 1997, 1998 and 1999) of Country winning the Annual Event by winning the 2001 match 225 matches to 50.

Country aim to regain the trophy in 2001.

JUNIOR DIRECTOR'S REPORT

For Juniors the year 2000 began with the week long Coaching Clinic, conducted by Oceania Coach, Glen Tepper, at the E G Whitlam Centre, in early January. The players were rewarded on the last day watching the ITTF Pro Tour Championships where the world's best players were competing for the top places prior to the Sydney Olympics. Glen also gave a coaching session to Veterans at Punchbowl RSL, which resulted in a \$42.00 donation from coaching fees for Table Tennis NSW.

The NSW Junior Closed Championships, held on 18 March, and the Civic Video NSW Junior Open Championships, held on 29 May were keenly contested. These competitions were based on age. We thank Civic Video for the very generous donation for prizes - cash prizes, trophies and Olympic coins.

All other competitions were played in Grade Divisions from 1 - 6. Fifty players entered the first tournament, held on 28 February 2000.

Thirty talented players were invited to participate in the special training sessions held on 8 April, 13 May and 19 August. Those who took part were able to also play in a Division of their choice (1, 2 or 3) afterwards, while Divisions 4 - 6 were held at the same time as the coaching.

A coaching clinic was held by Peter Masen on 1 July with ten participants. This was the only Junior event to run at a loss.

Because of the influx of new players on 19 August, two additional comps. were organised on 29 October and 3 December. A large number of new young players participated in these two events, showing exceptional talent for their age.

TTNSW FINANCIAL REPORT YEAR ENDING 31.12.2000.

In presenting the enclosed financial reports, you will find that the financial position of TTNSW Inc. has turned a corner from loss of \$ 1,143 in year 1999 to a healthy profit of \$16,791 in year 2000. This great result was achieved through hard work of fellow Council members organising coaching, training, tournaments and sponsorships. Despite the very positive result I regret to submit these accounts with some qualifications.

The control of tournaments so far has not improved despite the attempts of previous treasurer and Council members during past two years. IN order to change this situation directors of TTNSW have decided appoint a paid Tournament Director in year 2001 fully responsible to organise the tournament and provide reconciliation of income and expenditure associated with each tournament. This will help financial director to prepare accurate financial statements and help Council members to see if tournaments generated profit or loss.

The main reason for generating a healthy profit was a change in coaching and development in schools. During year 2000 schools have to contribute at least half of the cost of hire of hall and the coaches salary while in 1999 Mr. Peter Ma Sen generated a short fall of more than \$ 7,000.00 resulting in loss instead of profit in 1999.

Control of debtors has also improved and we have been able to negotiate with Mr. John Lee from The Korean Club a four monthly payments of \$310.00 each. The first payment has been received.

The favourable financial situation allowed association to upgrade our well outdated computer and associated equipment to be able to provide more accurate and up to date information for directors and a better service for our members.

In order to provide more accurate financial statements it will be necessary to eliminate duplicate and confusing ledger headings eg. (coaching income - v - training income, coaching expenses -v- training expenses , N.S.W. Jnr/Yth/Vet income -v- N.S.W. Veterans Open income -v- N.S.W. Closed income -v- N.S.W. Jnr/Yth C/ships income etc. I have spent a lot of time in order to identify to my best ability to income and expenditure items and post them to appropriate ledgers, but at the end I have realised that it would take me much more time than I had available to me.

GST and associated quarterly BAS statements did not caused so far too much problem despite being prepared manually. More problem was associated with taking over accounts in May 2000.

I would like to thank KEVIN COPE for giving me hand one day in posting expenditure items into appropriate ledgers.

Radko Zaloudek.

TABLE TENNIS NSW INC. – AUDIT OPINION

I have examined the books and records of Table Tennis NSW Inc. for the period ending 31 December, 2000. The attached financial statements present a true and fair view of the affairs of Table Tennis NSW Inc. for the period then ended.

In respect to income I am unable to state whether all income from tournaments has been all accounted for. I note that a suitable methodology in respect to this was to be instituted in 2001.

The existence of fixed assets was not verified.
