## PRESIDENT'S REPORT

I would like to take this opportunity to thank the Table Tennis NSW Board Members for their hard work on Members behalf in making the 2001 season a successful one.

The year 2001 started with wonderful support from the players at the Sutherland Open Championships, their first Tournament in many years – well done!

Also very pleasing was the outstanding effort by our Senior Women in supplying two teams for the 2001 National Senior Championships after an absence since our last entry in 1996. Keep up the good work.

Congratulations also go to the younger women who are putting themselves forward for selection in NSW State sides with some fine performances. Thanks go to our Senior Men who also supplied two teams at the National Senior Championships. Together with our Junior Girls and Boys everybody has worked hard and achieved well deserved results. I wish to offer congratulations to our Veteran NSW representative sides who had great success at the 2001 National Veterans Championships.

I would also like to thank all of the Associations/Clubs for their strong support throughout the 2001 season.

The Table Tennis NSW financial position is buoyant, our registrations are up on the year 2000, but I know that we can do better. I urge every Member to introduce one new member during the 2002 season each and watch the sport take off in NSW.

A special thanks to everyone who donated their time and energy to make the Australian Schools and Junior Championships such a success. As President of TTNSW it makes me very proud to see the NSW representative players showing so much support for each other in their quest for victory in the Juniors, Seniors and Veterans National Championships. Thank You.

I would like to thank our sponsors for 2001, Civic Video, Combined Sports Traders and of course NSW Sport & Recreation Department for their generous and ongoing support.

A special thanks to Ron Pickering for all that he has done during 2001 and in particular his efforts in arranging transport for interstate players and officials during the airline collapse, allowing them to arrive in time for the Australian Schools and Junior Championships.

Congratulations must go to John Tawadrous and Michelle Beaumont, two of our young players who recently returned from Hong Kong and Singapore representing Australia and doing well on our behalf.

My disappointment this year is that we still don't have a playing venue to call our own. I am still trying to achieve this goal.

Thank you all once again for your support in 2001 and I hope that we can do even better in 2002.

David Beaumont

# ADMINISTRATION OFFICER'S REPORT

Members, it gives me pleasure to present my sixth report as Administration Officer (Part Time 3 days a week) for Table Tennis NSW Inc. The year 2001 was another busy and interesting one, which this report should demonstrate.

## **Tournaments**

I am pleased that the members decided to elect a Director to be responsible for the conduct of tournaments. The support by members, in terms of numbers participating has shown a slight increase over the past years, which is a positive sign.

## **General Administration**

The purchase of new computer equipment has greatly assisted with the day to day workload in the office. The NSW Sport & Recreation Department have provided free access to the internet and E-mail, yes at no cost to Table Tennis NSW. This technology has been of great assistance particularly when producing LOOP magazine.

In last years report I detailed four areas of concern identified at the "Table Tennis Beyond 2000 Workshop", namely

- Finance and Marketing
- Facilities
- Participation
- Constitution and Governance

It is pleasing that the Directors have continued to pay heed to the need for change in these four areas. Tony Aduckiewicz was appointed Independent Director. His specialty in the area of finance was of great benefit to Table Tennis NSW. Some significant changes to the constitution were passed at the 2001 Annual General Meeting and in time their effect will become most beneficial to our sport. The Directors, particularly Secretary Leonie Whiteford continue to investigate various options regarding the acquisition of a suitable Table Tennis facility. One only has to read the Financial Report to see the vast amount of funds outlaid in the hire of facilities for just two events, namely the Australian Junior and Under 18 Championship and the Australian Schools Championship. The appointment of a Tournament Director has had a positive impact on tournaments, however more needs to be done to increase the numbers involved in the various Club/Associations weekly pennant competitions.

## **Where to play Table Tennis guide**

Over the years this guide has proved to be a valuable tool in the day to day operation of the office and now that our web master, Phil Males has included it on our Web-site the general public have easy access to its content.

## **Bad Debts**

Unfortunately the debt owed by the Korean Table Tennis Club has only been reduced by \$310.00, despite the agreement made with a representative from that club for payment and repeated follow-up correspondence from the office once their payments ceased.

I recommended in my report last year that the debt owed by Chi Nguyen be written off and unfortunately the Korean Club debt should be written off too.

Mention was made in my report last year of the debt incurred by Peter Masen, former Coaching/Development officer, as a result of not matching dollar for dollar grant money paid to him during 1999. I have written to him several times during the past twelve months

requesting payment, however he has not responded. Directors may have to take firmer action with him in order to recover the amount of \$7,128.00.

### **Equipment Sales**

Once again the sale of Table Tennis equipment has been an important part of my duty. We receive funding from NSW Sport & Recreation for this project. It provides a service to all members, particularly those residing in country areas and a small profit for Table Tennis NSW (see Finance Report).

### **Registrations**

There has been an increase of 44 Registered Members from the year 2000. Which is a good sign. However, a much greater effort will be needed from Office Bearers from all of the Affiliated Clubs/Associations this year if registration numbers are to reflect the true number of players actually playing Table Tennis across the State.

Member should be mindful of one of the benefit associated with a larger number of registered members is the financial burden will be smaller because it is shared by a larger number.

### **Loop**

Four editions of LOOP were distributed in January, May, August and December in 2001 and posted to members. In addition some of the articles have been posted on our Web-site for members of the public to access. Once again I would like to thank all of the people who submitted articles for publication, they made interesting and informative reading. Thank you to our advertisers, I hope that you received value for money.

### **NSW Sport & Recreation Involvement**

NSW Sport & Recreation continue to be our main source of income. With-out which this Association could not continue to provide the many services it does to its members and the sport in general. I was required to submit a three year business plan to cover the period July 2001 through to June 2004. All sports were placed into categories according to criteria determined by NSW Sport & Recreation. Table Tennis NSW was placed into a category which received \$20,000.00 for each of the three years of the business plan. This amount was a drastic decrease from previous years. The Directors successfully applied for an increase in the funding for the first year.

The Country Athlete Scheme applications continue to be negotiated directly with the Department and the parent. My only involvement is to verify membership currency and have the Junior Selectors prioritise the applicants.

In addition to free access to the Internet and E-mail, NSW Sport & Recreation provide free office accommodation at Sports House and access to photo copying equipment. This is very much appreciated.

### **Conclusion**

I consider that the duties of Office Administrator are a very important link between the public, NSW Sport & Recreation, the Directors and the sport of Table Tennis.

Given the reduction in grants over the next three years every office bearer will need to exercise due diligence in the execution of their portfolios.

Ron Pickering

## SECRETARY'S REPORT – 2001

2001 was an extremely hectic and productive year for Table Tennis NSW.

The introduction of the GST and BAS statements in July 2000 caused an immense increase in workload for the Finance Director and resulted in a total overhaul of the books for 2000 by the new Finance Director Phil Males. The books are now in excellent order and have adjusted to the GST & BAS transactions.

Table Tennis NSW participated in the NSW Sport & Recreations – national Pilot on Risk Management along with fourteen other sports and this Risk Management Policy module will be used by all sports nationally. Table Tennis NSW has our policy ready for implementation and addition to our constitution at this years Annual General Meeting.

In 2001 Table Tennis NSW ventured into the World Wide Web with Phil Males setting up our WEBSITE, for those who don't know, the address is – [www.ttnsw.org.au](http://www.ttnsw.org.au)

We have had almost 5,000 visitors to our WEBSITE since 15<sup>th</sup> May last year. All our tournament results are entered here the same day or within two days of the tournaments completion. Also during the Australian Junior and Australian Veterans Championships the results were entered as matches were completed. The site contains the annual Calendar of events, equipment catalogues, and a separate Veterans & Country League page as well as venue contacts and tournament entry forms. This has been a successful venture and well done to the WEB MASTER Phil Males.

Table Tennis NSW also hosted the Australian Schools and Australian Junior Championships in September/October at Minto and this was a huge task with several obstacles. The Ansett collapse affected all states attending apart from ACT and Victoria. The other states loosing their airline bookings and having to make alternate bookings costing in some cases double & triple their original costs. Tasmania and Western Australia not being able to secure travel until the very last minute. I would like to thank the interstate players & officials for supporting these Championships and appreciate their efforts with enduring the additional costs.

The Australian Schools Championships had very few interstate teams due to the Ansett collapse and the late posting of the entry forms, but I would like to thank, Ron Pickering in the Office, Gillian Hutchison, Tien Quach, and Dave Beaumont for their efforts in securing 87 teams for the Australian Schools Championships, which is the most teams ever at these Championships. We also experienced further problems when the tournament director for the Schools and referee for the Australian Juniors, Graeme Ireland was called overseas with work commitments, there were initial problems with Graeme's program, but after a persistent effort from the Referee & Assistant referee, Fran Keyhoe and Angelo Tabone with assistance from Dave Beaumont, Tien Quach, Jennifer Aduckiewicz and the other teachers the schools tournament was finally underway. It was good to see the four teams from the ACT who

entered the disabled category and watching the enjoyment they gained from participating in the tournament. Overall a very pleasing and successful tournament.

The Australian Junior Championships ran smoothly apart from the problems associated with the Ansett collapse. The Championships were officially opened by Mr Brendan O'Reilly, Director General NSW Sport and Recreation. I would like to thank our sponsors STIGA who supplied the balls and CIVIC VIDEO who provided Table Tennis NSW with 100 new barriers. Once again a successful tournament with over 40 teams from NSW and interstate.

I would also like to thank Dave Beaumont, Robert Beaumont, John Beaumont and Ritchie Meredith for assisting with the equipment for the Australian Schools and Australian Championships with collecting, transporting and setting up of the tables and the hall, it was a very long day starting at 7 am and finishing at 9 pm.

Table Tennis NSW was well represented at all Australian Championships in 2001-

U20 Youth Championship – Mens & Womens Teams

U18 & Junior Championships – 6 x Boys & 3 x Girls Teams

Senior Closed Championships – 2 x Mens & 2 x Womens Teams

Veterans Championships – 7 x Mens and 5 x Womens Teams

A total of 27 representative teams at National Championships, which is an outstanding effort, congratulations to all those players. Also congratulations to John Tawadrous who was selected in the Australian Mens Team for the Commonwealth & World Championships and on winning the Michael Szabados Junior Player of the Year award. John won all six events in the U18 & U16 age groups at the Australian Championships. Also Congratulations to Michelle Beaumont who won The U14 Girls Singles and U14 Mixed Doubles and the STIGA award for U14 Girls at the Australian Championships. Michelle was also selected to represent the Australia Junior team overseas in January 2002.

Table Tennis NSW has been negotiating with Peter Ross from the State Sports Centre regarding the promised legacy from the Sydney Olympics. The Sydney Olympic Park Authority (SOPA) has agreed to the building of two new facilities next to the existing state sport centre, to be used primarily by the six identified legacy sports from the Sydney Olympics. This facility will contain a Table Tennis specific area with permanent Tables. This facility will allow the two buildings belonging to the Royal Agricultural Society to be returned to the Royal Agricultural Society. It is planned for construction to take approximately two years. In the interim the facility belonging to the Royal Agricultural Society will be available outside the Royal Easter Show times.

There is a budget to allow for the sports floors to be installed and these will be ready for use after this year's show from Tuesday 18<sup>th</sup> April. There has been much negotiation between the six legacy sports and Peter Ross from the States Sports Centre and inturn the States Sports Centre with SOPA on several issues. For Table Tennis there is likely to be an area with 2 rows of 7

tables and a 2-metre aisle between with the court sizes being 6 x 12 metres. Peter Ross has agreed that there would be difficulty with setting up and dismantling and it is probable the tables will be set up most of the time. The legacy sports will have first priority over ALL bookings and will be required to enter into licence agreements for their usage. SOPA has taken some bookings outside of the legacy sports for 2002 and this along with the HSC marking in November may prevent us from relocating to Homebush until the end of 2002 or into 2003. Table Tennis NSW is still continuing its quest to obtain a permanent Table Tennis Centre owned by Table Tennis NSW.

The registrations for 2001 were almost 600 – the registrations for 2002 will continue to be the same cost and it is important that members ensure their association/club forward any registrations as soon as possible to ensure members receive entry forms and the LOOP on time. The registrations are being updated as they are received and members should receive their membership cards within two – three weeks of the TTNSW Office receiving the registrations. If members have not received their cards they should firstly contact their club/association to ensure their membership has been forwarded to the TTNSW office and if so contact the office. NB: If members have changed address it important to contact the office either by: phone; fax or E-mail to advise your change of details.

Leonie Whiteford

## **INDEPENDENT DIRECTOR'S REPORT**

Ladies and Gentlemen, I was invited to be a member of the Board of Table Tennis NSW by President David Beaumont.

I attended and took part in four Committee Meetings and had the opportunity to question the Financial Director as to why certain things were done in a particular way. I also reviewed the accounts for the year ending 31/12/2000 and as a result recommended certain structures be put in place.

My principal role was to review reporting structures, and as far as I can tell, they are now satisfactory.

My only concern would be that the auditing should be given to a professional.

Tony Aduckiewicz

## **DISABILITY DIRECTOR'S REPORT**

As Director of Table Tennis Disabilities the main objective is to communicate to the people with disabilities the positive values of participating in recreation and competition Table Tennis programmes and development of Table Tennis skills for both young and old.

On Sunday 18<sup>th</sup> November 2001, I contacted 37 wheelchair players from Country and Metropolitan areas to attend a "Come and Try Day" at the Peter Forsyth Auditorium. An invitation was issued to many Disabilities Associations to attend also. The players who took part gained insight to the plans for 2002.

Sunday 2<sup>nd</sup> December 2001 was the "Fun Day" at Leichhardt Aquatic Centre to celebrate the UN International day of People with Disabilities. Table Tennis tables and surrounds were transported to the centre for use on the day. This was a very successful day, 100 come and try pamphlets were handed out. Contacts were made with people who are mentally impaired, standing disables, wheelchair and deaf.

An exhibition of wheelchair Table Tennis was the feature of the day at Leichhardt. Thanks to Joy Boyd and Jacob Wright, they put on an excellent display. Also thanks to Matty Padley, CEO Table Tennis Australia for assisting me on the day.

Sunday 10<sup>th</sup> February 2002, trials will take place for the Commonwealth Games at the Peter Forsyth Auditorium.

I have initiated meetings with:

Jane Miller, Wheelchair Sports Association Executive Officer.

Anna Muldoon, NSW Wheelchair Development Officer.

Lynn Phillips, Manager Sports Unit for Athletes with a Disability.

Mark Burgess, Executive Director Deaf Sports.

Ken Grinham, Chief Executive Officer NSW Sports Council for the Disabled Inc.

John Rooney, Leichhardt Aftercare Mentally Impaired.

Ryan Sherry, Development Officer Disability Education Program Sydney from the Academy of Sport.

NSW and Australian Sports Commissions.

Future

Setting up Table Tennis with John Rooney at Leichhardt Aftercare Centre. Purchase a table from Combined Sports Traders to be set up at the centre.

Negotiations

Purchase a Robot Machine and balls for training.

Obtain grants from NSW Sports Council for a coach to assist long term training plans and an understanding and ability to recognise elite levels.

I am looking forward to a very productive year in 2002.

Beryl Davies

# **JUNIOR DEVELOPMENT & COACHING**

## **1. Training Sessions:**

There were ten State junior training sessions throughout the year. The age groups were U14/U16/U18/U20 both boys and girls. We received an average attendance from all age group based on all players who were invited to the training sessions.

All training sessions were held at Glebe on Sundays, 90% of the time the hall was used for Veterans competition and the other half was used for State junior training.

State junior training for 2002 will be held at Glebe on both Saturdays and Sundays giving players more choice and availability to attend. There needs to be more than one coach at these junior training sessions if there are in excess of 30 players.

## **2. Youth Championships:**

In April 2001 NSW had entered a full Men's and Women's team at the Australian Youth Championships. NSW were very desperate to send a team, our higher ranked players were unavailable to participate. Therefore we were forced to send our low ranked players.

Results were very poor in both the Men's and Women's competition, team moral was low due to non-ability to win matches.

In future, if NSW cannot field teams with our top players then we would be better off not to send a team at all.

## **3. Australian Junior Championships:**

Overall the Championships were a success.

The results for NSW were mixed including:

- Individual results from John Tawadrous and Michelle Beaumont which were the highlights for NSW
- Final teams rankings included some high ranked and some low ranked positions.

Overall the standard of the State Junior teams at the championship was quite poor, apart from some individual efforts, the balance of results average to say the least.

There needs to be a great deal done to improve the standard of quality of table tennis in our junior teams, as we cannot rely on individual efforts to improve our overall team results as a whole in NSW to compete with the other states.

## **Summary:**

- Training sessions need to be held in a venue where there are more than 6 tables available for state junior training's, especially when 30 players turn up. It is not feasible for the players to be playing cross court and is not a method of improving their game. Players get discouraged and don't give their full potential.
- A strict 80% attendance to the overall State Junior training sessions must be put into force with no exceptions (apart from country players)

- For the standard of our junior players to improve to the next level, there must be greater emphasis on constant and consistent training sessions. It is very hard for this to occur if NSW does not have a base for junior players, it seems that every other state has a junior base except us!
- Until there is a permanent table tennis centre where a base for junior players can be set up, we must set up various junior elite squads in our existing club around Sydney.

#### Aims for 2002:

- Greater emphasis on junior elite squad training to be set up with frequent training sessions such as
  - Bansktonn Masonic Hall
  - Uiversity of NSW Table Tennis Club
- Increase the number of competitions that junior players are to compete in, so they can feel how it is to play under pressure in matches. We have recommended for 2 junior teams compete in the Insurance competition for 2002.

\* Enforce the 80% attendance to junior training's to ensure that players are serious about representing their state team.

If you have any queries, please contact the undersigned 0412 655 845.

## **2001 CITY v COUNTRY**

After the heavy defeat in 2000 Country bounced back to win the 2001 tournament in a very close encounter 127 rubbers to 122.

## **COUNTRY TOURS**

The tours resumed in 2001 with the NSW Country Open Team of Glenn Wharton (GOULBURN), Adam Green (NEWCASTLE), Geoff Chan (ACT) and Scott Taylforth (ACT) touring Country Victoria.

They completed the tour undefeated playing Albury Wodonga (19 – 1), Shepparton (11 – 0), Horsham (10 – 1), Warrnambool (17 – 3), Ballarat (14 – 6), Trarlgon (11 – 0) and Yarrawonga/Mulwala (19 – 1).

Around the same time Victorian Country sent a team to tour NSW Country. The team comprising Bruce Harmer (Wonthaggi), Wayne Carmichael (Sunraysia/Mildura), Wayne Greaves (Geelong) and George Gardoz (Ballarat) completed the tour without losing a match against ACT (7 – 4), Nepean (11 – 9), Bathurst (17 – 3), Armidale (22 – 2), Nepean (8 – 3), Goulburn (6 – 5) and won the Test Match at Goulburn (9 – 2).

## **PRESIDENTS REPORT**

Ladies and Gentlemen

It is with great pleasure that I present my first report to you as President of your Association.

My first report has been made easier by the support I have received from your Committee. However it is important that for our Association to further progress we continue to encourage new people to join the Committee.

This is particularly important this year as our excellent Secretary of many years, John Younie, has advised that he will not be standing for the position again this year.

John is one of the unsung heroes of our Association with very few people realising the amount of work he puts in to ensure the enjoyment of our members is maximised.

John on behalf of all our members and me especially, I thank you for your efforts and wish you well on your travels.

2001 was a successful year for our Association with excellent results from our Teams at the Australian Veterans Championships. Individually a number of our members performed well however it is obvious that a significant effort is required to have our women challenge the might of South Australia and Victoria. I am sure this is a challenge our incoming Committee will relish.

Our teams competitions were generally well patronised except for the A grade particularly after the announcement of the teams for the Australian Championships. The revised format will, hopefully, alleviate some of the problems.

Finally I would like to thank you, our members, for your continued support of our Association and I look forward to meeting with you in the 2002 season.

Ted Davis  
President.

## **SECRETARY'S REPORT**

This will be my last report as Secretary but once again I am able to say your Association has had another successful year with our Teams competition, our participation in the Australian Veterans Championships and our friendly get together at our Christmas Party to finish the season.

Our major event, the 2001 Teams Challenge attracted a good number of teams and congratulations go to the winning teams and players as listed in the results section. We hope the new format and scoring system ( points for rubbers won ) will encourage everyone to compete to the bitter end and make the better teams fight for every rubber.

Thanks to the few members who came to Forsyth to serve at the canteen. A roster was issued to try and have a member present each tournament day but quite often it fell back on your Committee when no one turned up. Disappointing to say the least because this is a very good money raiser as can be seen by the \$1153 profit in the treasurer's statement.

Thanks to the Committee members who once again gave a lot of time to your Association and also a lot of their spare time to other table tennis activities not directly related to veterans table tennis. Thanks to our treasurer Kevin Cope who has kept our membership records up to date all year and to the time he has spent keeping a very accurate set of books for the fifth year. And to make things easier for you, the NSW Team players, by accepting entry fees and accommodation costs for the Australian Veterans Championships – this is a frustrating task.

It was our 3<sup>rd</sup> season at the Peter Forsyth Stadium which is quite a satisfactory venue. The Council installed curtains on the high western windows which removed that shaft of sunlight that disturbed us during the afternoons.

I had the height of nine barriers raised so that we have sufficient high barriers to divide the hall down the centre and stop most of the disturbances caused by balls bouncing into other court areas. Thanks to Shirley Smith for her excellent sewing of extensions to the covers and thanks to various others who assisted in shortening the feet on the barriers for easier storage.

I am very pleased to see that most members have lent their energies into setting up the tables and barriers and again assisting to store them systematically in the storeroom at the end of play – this certainly improves the day and assists your committee.

During the year TTNSW set up a web page on the internet which gives details of that Association together with events and results. This web site now also includes information about the Veterans including a calendar for 2002 – so go take a look !

This Association has consolidated and is operating well and my best wishes go to the incoming committee which must build on this base of veteran players to assist TTNSW to improve the future for table tennis in this state.

I must thank our President for his input and management of our Committee meetings that were completed in the minimum of time and I must also express my thanks to all those committee members who have assisted me in my duty as Secretary, Asst. Secretary or Committeeman over the past 11 years.

John Younie  
Hon. Secretary

**Winner** Madeline Wong

**Runner-up** Emma Khalil.

PRIMARY SCHOOLS TEAM SHIELD CHAMPIONSHIPS Teams of three, held on 7 May. Peter Forsyth. Twelve teams from five schools entered.

**Winner** Condell Park Christian School

**Runner-up** Haberfield Public School No 1 team.

Secondary Schoolboys Teams Championships.

CATEGORY II Boys Teams Shield Championship held 21 May, played at the Champion Club, Leichhardt. Four teams from three schools entered.

**Winner** Wollongong Performing Arts High School

**Runner-up** Girraween High School .

SECONDARY SCHOOLS CHALLENGE 21 May - teams of two players. This competition was well supported, with twenty eight teams from five schools taking part.

**Winner** Canley Vale No2 team.

**Runner-up** Canley Vale No1 team.

Thanks to Ken Cole for running the Category II Boys Teams Shield as a separate competition at the Champion Club,. We had 72 boys competing on the day, 16 at the Champion Club and 56 at the Peter Forsyth. Thanks also to Keith Johnson for repairing the broken table enabling fourteen to be used. A big thank you to Dot DeLow for her assistance on the day. Finally I appreciate Alan Oakford and Keith Johnson for setting up and packing away the tables every day of the competitions.

CATEGORY 1 BOYS Team Championship. Teams of four players, held on 18 June. Sixteen teams from ten schools participated in this competition, with a very high standard of play from the top five teams.

**Winner** Canley Vale High School No1 Team.

**Runner-up** Epping Boys High School

I appreciated the help of Keith Johnson and Alan Oakford who set up and packed away the tables each day of the competition. Also Dot De Low who was a great help on the day the 56 boys competed.

Unfortunately I had to cancel the first date of the Category I Boys competition. The Education's Sports Unit has been so good in the past, sending our entry forms to every state school in the Metropolitan area. Unfortunately there was a glitch and when the schools who usually compete did not get their entries in time, I knew there was a problem. However the Sports Unit people helped me out by faxing the 250 Metropolitan High Schools in this area.- Wollongong to Gosford.

Shields were presented to all Category I and II winners and the Primary School Champions. All winners and runners-up received the appropriate trophy. Certificates for finalists were also sent to schools.

#### AUSTRALIAN SCHOOLS TEAMS COMPETITION

Thanks must go to members of the Table Tennis N.S.W. Council for recruiting so many participants from New South Wales-sixty-six teams of 2. Dave for organising teams from Bathurst and the A.C.T. Ron for getting the players from Western Australia and Tasmania airlifted, Beryl and Leonie organising the venue, with all of us playing our part in making the competition worthwhile for the players.

Participation and finalist certificates were either presented to the players or posted to the schools. Trophies were presented to winning schools and individual winners and runners-up.

On Sunday 25<sup>th</sup> November, an Individual Competition was held for NSW School Students. Although well attended, only 4 girls took part.

The Junior Grade Tournaments on 18<sup>th</sup> February, and 11<sup>th</sup> November 2001 were very successful. With a total of 62 Players participating

## JUNIOR DIRECTOR'S REPORT

**Division Tournament** - Held twice in 2001 (May and November)

This tournament provides new junior players a guide to become better players and ultimately if they wish, compete at state levels.

All the junior players that attended these tournaments thoroughly enjoyed the day whether they won or lost, due to the fact that they were challenging players of their standard. While it's an ideal tournament for juniors, there are not enough during the year.

### State tournaments

Junior Closed —	45 males, 9 females
Junior Open —	41 males, 12 females
Sutherland Open —	19 males, 6 females
Metropolitan Open -	11 males, 5 females

The above tournaments were competed at age levels, U12, U14, U16, and U18. Entries to the Junior Open/Closed doubled the other two due to the fact that they were compulsory for state team selection.

Approximately half of the players attending the division tournaments do not attend the state tournaments knowing that they will not stand a chance when competing with state players in their respected age group.

In total we have 103 junior registered for 2001 - 41 at Championship level, 46 at Junior level, and 16 at School Level.

Only 54 attended the Junior Closed and 53 attended the Junior Open.

What happened to the other 41 players?

Were they the 41 players that attended division tournaments only?

Were entry forms sent out to all players?

If entry forms were sent to the clubs, were the juniors at those club informed by their coaches?

Is it the way the tournaments were organised, which discourages players to take part?

Whatever the problem is, we need to identify it, prevent it from happening, and hopefully we will get more junior players participating in all tournaments in 2002.

Tien Quach  
Junior Director

## **NSW TABLE TENNIS UMPIRES' ASSOCIATION. REPORT**

After the fever of excitement of the Olympic and Paralympic Games in 2000, last year was something of a comedown for the association with the level of activity showing a marked decrease, with some local tournaments left without a referee due to lack of availability.

Internationally, Steven Lee was appointed Deputy Referee for both the World Championships and the FESPIC Disabled Championships in Osaka, Japan with Maurie Poole umpiring at both events as well as being appointed as referee of the Arafura Games Table Tennis in Darwin and the Australian Junior Championships in Sydney. Phil Males controlled the computer operations of the Junior Championships and the year also saw Ian Finlay become chairman of the National Umpires' League selection committee.

The Junior Championships also saw the introduction of the new basic umpire's course, with sessions conducted by Fran Keyhoe from Victoria (Deputy Referee), resulting some new entrants into the umpiring field, who it is hoped will continue to become further qualified.

This course is the first stage in the overhaul of our umpiring qualifications to eventually come into line with national standards, with changes to other level qualifications to follow. Although information is somewhat sketchy, the association will try to stay abreast of the changes and offer opportunities for those who wish to either gain new qualifications or update their existing ones as well as provide qualified umpires and referees as required.

It is also hoped that our association will continue to be represented on the national and international fronts, however, there are no details available at this stage.

Maurie Poole.

## TOURNAMENT DIRECTOR'S REPORT

2001 was a hectic year with seven tournaments run over ten days. The tournament director's role is sometimes a difficult one.

There is the receiving of entry forms – which have to be catalogued. Some entries are received – paid in full, some are partly paid – some people do forget they MUST pay both the \$2 teams and the \$1 development levies- others have not paid and there are always late entries

Once the entries are catalogued and marked as either paid or owing. They are then separated onto an event sheet and it must be determined by the number of entries as to whether to run a knockout or round robin event. Also where players require partners for doubles events this must also be determined. This takes some considerable time an hour to an hour and a half and this must all be completed before you can commence the draws.

Then the seeds for each Open or aged event are added into the draws - the seeds are taken either from the appropriate selectors or from the latest available seeding / ranking list. The top seed is placed in the top of the draw and the 2<sup>nd</sup> seed in the bottom of the draw. The next seeds in pairs of two are tossed for top or bottom and inserted into the appropriate position in the draw.

Once the seeds are completed the remaining competitors are drawn into the draw. All unseeded draws are completed by lot.

When the draws are completed – two copies written out - one for the tournament control and one copy to be placed on the wall for the competitors to view. The first round matches are written up onto result slips for the commencement.

A minimum of two required for the draw and is desirable that the tournament referee is present. The overall preparation & draw takes three to four hours.

Upon arrival the hall has to be set up. There are usually only one or two people present. If only two people it takes around half-hour to an hour to set-up. If there are around ten people it only takes around 20 minutes to half an hour.

Tournaments are mostly started on –time. There is ALWAYS someone who either hasn't turned up or is very late for the scheduled start of their event, this in a lot of cases causes the tournament to be delayed and is unacceptable especially seeing we are limited with a finishing time for the hall.

There are ALAWYS people who have not paid their entry fess or have not paid the correct amount and this takes some time to round up the outstanding money and also run the tournament

There are always competitors who want to enter on the day or someone who has sent their entry in late and is not received until the following week.

When the tournament is completed – the same old story the equipment then has to be packed away , and again it depends how many people have stayed behind to assist with the packing up – if ten or more people 20 minutes to half an hour – if only two or three people half an hour to an hour.

The next step is to reconcile the tournament and bank the money. The reconciliation is then forwarded to the Finance Director and a copy to the office.

The tournament results are also entered up and a copy to the WEB MASTER for entering onto our WEB site.

The first tournament NSW Closed – Open & Grades – Sun – 18<sup>th</sup> March. Restricted to a 4 pm time limit. There were several competitors holding up events. Result several events not completed and were re-scheduled to the Metropolitan Open – Sat 14<sup>th</sup> July.

The 2<sup>nd</sup> tournament NSW Junior Closed – Sun 22<sup>nd</sup> April – again restricted to a 4pm finishing time. We were invaded by the basketballers at around 2 pm, who were disruptive and did not help - result several events not completed – re-scheduled to the Junior Open on Sat 7<sup>th</sup> July.

The 3rd Tournament NSW Veterans Closed Sat & Sun 2<sup>nd</sup> & 3<sup>rd</sup> June. – Set over two days – 6 hours each day. Doubles on Saturday & Singles on Sunday. Event finishing well on time. The only problem being with doubles on Sat & singles on Sunday, several competitors only entered events on one day. It would be desirable to run the event on one day from 9 am to 6 pm.

The 4<sup>th</sup> Tournament NSW Open – Open & Grades Sun 2<sup>nd</sup> July – time restricted to 4 pm. There were some events not completed and again scheduled for the Metropolitan Open Sat 14<sup>th</sup> July.

The 5<sup>th</sup> tournament – NSW Junior Open Sat 7<sup>th</sup> July – the extended time to 5 pm allowed this event to be completed and also the re-scheduled matches from the Junior closed.

The 6<sup>th</sup> Tournament – Metropolitan Open – Sat & Sun 14<sup>th</sup> & 15<sup>th</sup> July – with the event over two days. All events completed. Rescheduled events completed apart from one.

The 7<sup>th</sup> tournament – NSW Veterans Open – Sat & Sun 21<sup>st</sup> & 22<sup>nd</sup> July. Event held over two days – no problems completing all events over the two days. Once again some competitors only entered events on one day and it would be much more desirable to have the tournament on one day 9am to 6pm finish.

Overall there are several problems which need to be addressed. It is impossible for one person to run the entire event. It is essential to have a tournament committee of at least five to six people to run the tournament

- two – three people to conduct the draw
- five – six people to set up the hall
- Tournament – one to control the events, one to write up the results; one to collect the money and two to chase people to their tables.
- five – six people to pack – up the hall
- The tournament director to complete the reconciliation & banking.
- One person to complete the results and send to the WEB MASTER.

## **AUDITORS REPORT**

Table Tennis NSW Inc

### *Scope*

We have audited the attached special purposes financial report of Table Tennis NSW Inc for the year ended 31 December 2001 comprising the Profit and Loss Statement and Balance Sheet. The Committee is responsible for the preparation and presentation of the financial statements and the information contained therein, and have determined that the basis of accounting used is appropriate to the needs of members. We have conducted an independent audit of the financial statements in order to express an opinion on them to the members. No opinion is expressed as to whether the basis of accounting used is appropriate to the needs of members.

The special purpose financial report has been prepared for distribution to the members of the Association for the purposes of fulfilling the Committee's accountability requirements. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates, to any person other than the members, or of any purpose other than for which it was prepared.

The audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial reports are free of material misstatement. The procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial reports, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with the requirements of Australian Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views), the requirements of the Associations Incorporation Act, and the Association's Constitution so as to present a view of the Association which is consistent with our understanding of its financial position and the results of its operations and cash flows.

The audit opinion expressed in this report has been formed on the above basis.
